## TABLE OF CONTENTS

<u>Description</u>	<u>Section/Page</u>
City Manager's Budget Message	1-1

May 13, 2008

Honorable Mayor and Members of the City Council:

The Proposed Operating Budget ("Budget") for the City of Lake Forest ("City") for Fiscal Year 2008-09 is attached for your review and approval. This Budget has been prepared consistent with the City's Strategic Business Plan and is inclusive of all City funds including the City's Redevelopment Agency.

### **Fiscal Year 2007-08 Review**

Fiscal Year 2007-08 saw the completion of a number of milestone projects. The third phase of the Opportunities Study ("Study") will be presented to the City Council in June, including the General Plan Amendment, Zone Changes, Environmental Impact Report, and Development Agreement. In April, the Planning Commission recommended these items for City Council consideration.

The Study began in 2003 and it is a multi-year effort that has reached its final stages. It would ultimately redefine the landscape for a major portion of the community previously affected by the noise zones associated with the former MCAS El Toro. Essentially, if approved, this project could result in the swap of previously entitled significant industrial/commercial development for residential/commercial development and provide various significant communitywide, major facilities like sports fields and a community center. While property owner initiated, the City's goals have been to evaluate the opportunity thoughtfully with community input to ensure that any environmental and financial impacts of the swap are better or at least no worse than what otherwise would have occurred. Implementation of any approved Study elements should predominately affect the planning horizon of the next update of the Five-Year Strategic Business Plan ("Plan").

Mayor  
Mark Teretmer

Mayor Pro Tem  
Peter Herzog

Council Members  
Richard Dixon  
Kathryn McCullough  
Marcia Rudolph

City Manager  
Robert C. Dunek

The City accepted ownership and operation of six community parks acquired through the acceptance of irrevocable offers of dedication. Numerous improvements have already been completed in the parks such as renovated turf, improvements to sport fields, repaired and improved playgrounds, new drinking fountains, and over 180 new trees.

The City's emergency response system was tested in October 2007 during the Santiago Fires and it was proven successful. Afterwards, Fire Services and City staff met with homeowners' associations to assist with repair of Fuel Modification Zones and worked with the City and County to prepare for potential mudslides and debris below burned areas during the rainy season.

In March 2008, the City completed a top to bottom evaluation of animal control services, which are provided by our contract partner, OC Animal Care. An independent evaluation by the UC Davis School of Veterinary Medicine found that the overall health and welfare of the shelter animals at the OC Animal Care Center is generally good. A comparison with seven top animal agencies revealed that Lake Forest residents are responsible pet owners, as a relatively small number of animals from Lake Forest are impounded at the OC Animal Care Center. The study also found that fewer Lake Forest dogs and cats are euthanized at the shelter as compared to the average of the other animal agencies. As a result of the study, the City is investigating a low cost spay/neuter/microchipping program and a trap/neuter/release program for feral cats. The City is also initiating a public education campaign encouraging responsible pet ownership.

The City held the third annual Community Preparedness Academy and the second Community Emergency Preparedness Expo. Both events were well attended and highly rated. Once again, the City was ranked as one of the safest cities in America with a population above 75,000 people.

Phase I (the preliminary evaluation) of the commercial neighborhood known as the "Light Industrial Area" was completed and presented to the City Council.

In March 2008, an updated Plan was approved by the City Council. This Plan approved many new programs and projects, such as the acquisition and implementation of a building permit system, a comprehensive zoning ordinance update, and several information technology enhancements.

In addition to the above, the City also continued to deliver a high quality of services to the community in a variety of areas. The department detail portion of the budget provides more information on specific achievements.

### **Fiscal Year 2008-09 Overview**

Overall, the City will retain its strong financial condition and continue to make investments in the quality of life of the community, although the effects of the economic decline and loss of businesses have reduced the revenue base. The City will continue to be able to plan more important physical improvements in the community that should be realized over a five-year schedule commensurate with its Plan. Consistent with that Plan, the Budget will focus on the delivery of quality services and several important projects and initiatives. Phase IV of the Study should be initiated during this fiscal year, focusing on planning efforts for a permanent civic center, including a new sports park, community center, and city hall.

The City and Redevelopment Agency will continue to work with private sector partners to assist in continuing to transform the El Toro Road commercial corridor into the Arbor on El Toro. Additionally, the City will begin implementation of the Revitalization Action Plan in the Light Industrial Area.

In the latter part of 2008, new resident and business surveys will be performed as a preliminary step towards the next update of the Plan beginning in early 2009. This update will include anticipated financial activity related to Phase IV of the Study. In addition, the City will continue its commitment to implementation of the Five-Year Parks and Recreation Master Plan.

Other planned notable projects include the creation of an election information web page on the City's website and implementation of a mass notification system. The system will be utilized for city or regional emergencies and, when appropriate, crime trend notifications to affected members of the community as a crime prevention tool.

In all, Fiscal Year 2008-09 looks to continue progress on major projects of community priority, and introduce new projects while maintaining the City's strong financial condition. The department detail portion of the budget provides more information on specific major initiatives.

### **Revenues**

General Fund revenues grew at sizable rates from Fiscal Year 2003-04 to Fiscal Year 2006-07, mostly due to the healthy real estate market and local economy. In the three-year period from Fiscal Year 2005-06 to the end of the Fiscal Year 2007-08, General Fund revenues will have grown from \$35.8 million to a revised estimate of \$39.4 million for a three-year net increase of \$3.6 million or 10%. A sizable part of this increase was related to property taxes, sales taxes, and investment earnings. The growth in tax revenues was fueled by the healthy real estate market and local economy and the increase in investment earnings resulted from multiple increases in interest rates by the Federal Reserve Board, maturities of older investments at lower rates, and purchases of new investments at higher rates. All other revenues remained stable or fluctuated moderately.

We expect a decrease in revenues in Fiscal Year 2008-09 and stabilization in the subsequent fiscal year. This is primarily due to the current economic decline, the loss of several businesses, the weak housing market, and declining investment earnings due to the multiple decreases in rates over the last several months. In addition, the results of the Study could have a large impact in the future if it is implemented and development occurs.

The Budget for Fiscal Year 2008-09 estimates General Fund revenues to be \$36.3 million which is less than the revised estimate of \$39.4 million for the current year. This decline is mostly due to the reasons stated above.

Due to the passage of Proposition 1A, the City has continued to be able to estimate future revenues with more certainty than in the past. Of course, the State's actions can always change and staff will continue to monitor the situation. In addition, the State's fiscal situation has deteriorated dramatically in the current year and this will increase pressure on the State to obtain funding from outside sources. As in past years, we have chosen a conservative course in estimating revenues for the purposes of the Fiscal Year 2008-09 Budget. Obviously, revenues could be realized at higher levels, but staff believes the forecast will allow the City a conservative cushion.

### **Expenditures**

General Fund operating expenditures are forecasted to be less than revenue for Fiscal Year 2008-09, consistent with the City's conservative fiscal approach. Overall, operating expenditures will increase by almost \$2.4 million from what was initially budgeted for the current year. A brief explanation of proposed changes by department is shown under the heading Budget Analysis, in the Summary Section of the Budget. A more detailed listing of the individual increases by department is shown in the respective Departmental Activity Detail sections.

As indicated above, recommended expenditures for the General Fund have been established at an amount substantially below projected revenues. Considered the more important measure of the Budget, General Fund revenues will exceed operating expenditures by 11%. Capital expenditures in the General Fund are budgeted at \$1.1 million pursuant to the 2007-09 Capital Improvement Projects Budget.

After transfers, the General Fund balance is projected to decrease by \$6.4 million to \$46.3 million. This decrease is mainly attributable to a transfer of \$10.6 million to the Capital Improvement Projects Fund pursuant to the policy of providing funding for capital projects based on past years revenues in excess of expenditures.

Given that the City's various financial reserves will remain fully funded in addition to making new investments in both services and physical assets, the City will continue to be in strong financial condition. A discussion of some new investments appears in the following sections.

### **City Manager Department**

No significant changes were made to the City Manager's departmental budget in Fiscal Year 2008-09.

### **Redevelopment/Economic Development Department**

The Redevelopment/Economic Development Department is proposing the addition of a part-time Intern and a second Exploration Day at the Arbor. The part-time Intern will assist with programs, events, and performance of an inventory of sign conditions. The Exploration Day at the Arbor will continue to successfully brand and promote The Arbor on El Toro as a community focal point.

### **City Clerk**

Funds have been requested to upgrade the City Clerk's current recorder to digital for audio streamlining/minutes software for public meetings. Both products will increase efficiency and reliability of minute taking and reporting. In addition, the audio streaming/minutes software will enable recordings of public meetings to be available on the City's website. The City Clerk has additionally requested the lease of a color copier to facilitate copying and reduce the costs of City brochures and other materials that are reproduced in color. The costs of this lease have been allocated citywide in this Budget.

### **Finance Department**

The Finance Department is proposing the addition of a part-time Accounting Technician to assist the Senior Accounting Technician with the accounts payable and payroll functions. The workload in these areas has increased dramatically in the past five years, primarily due to the creation of divisions,

a substantial rise in operating and capital expenditure activity, and increased staffing in many departments, such as the part-time positions at the Etnies Skatepark of Lake Forest. Funds are also proposed for the implementation of credit card acceptance in response to numerous comments received from citizens and those who do business with the City.

### **Development Services Department**

The Development Services Department is proposing a large plan scanner and other office equipment to increase operational efficiency. Costs for the large plan scanner have allocated to user departments in this Budget. In addition, funding for Phase II of the Zoning Code Update and an environmental review of the county open space are proposed in this departmental budget.

### **Public Works Department**

Funds have been requested to purchase a work order software application and irrigation controllers. The software effectively tracks tasks from assignment to completion. The irrigation controllers will be funded by a grant from the Metropolitan Water District to reduce water consumption.

### **Management Services Department**

The Public Affairs Division is proposing a grant to the Saddleback Valley Unified School District for the purchase of video production equipment for use in video production classes at the Serrano and Los Alisos Intermediate Schools. Also proposed is the purchase of specialized software for the storage and indexing of City photographs and other electronic media. Lastly, a part-time intern is proposed to assist with the Leaflet, e-newsletter, and new City websites.

The Information Technology ("IT") Division is proposing a business continuity plan, Geographic Information System ("GIS") enhancements, and a full-time IT Manager. The business continuity plan would outline the City's critical business systems and documents, and the necessary steps to resume operations during and after a major disaster. The GIS enhancements

include air photos, elevation data, and online mapping development. The IT Division is also proposing an IT Manager dedicated to managing the City's expanding IT Program.

The Human Resources Division of the Management Services Department is proposing a second exercise class for employees as part of the City's wellness program.

### **Community Services Department**

The Community Services Department is proposing four part-time positions, a new truck, a talent show, assumption of the annual Haunt at Heritage Hill event, two family pet days, and four dog obedience classes. One of the two proposed Senior Recreation Leaders would work with pre-school classes and events and the other one would monitor the use of reserved sports fields. One part-time Recreation Specialist would assist with the Leisure Times, administration of the recreation system, and provide assistance for community events and senior programs. One part-time Facilities Maintenance Specialist would provide maintenance at City and off-site locations, mostly in the evenings and on weekends. The new truck would be used to pull the recreation trailer, to transport supplies and equipment for community events, and for use by the proposed Senior Recreation Leader for sports field monitoring.

### **Police Services Department**

The Police Services Department is proposing a full-time Administrative Secretary who would be responsible for business correspondence, coordinating departmental meetings, drafting thank you letters, and other departmental support. In addition the Orange County Sheriff's Department will be purchasing new patrol video systems.

### **Capital Projects**

The City provides for capital projects in a separate two-year capital budget. The next Capital Improvement Projects Budget will be adopted in June 2009 and will cover the two-year period from July 2009 to June 2011.

To provide a comprehensive picture of all City funds in the Budget, revenue and expenditure projections for capital projects for Fiscal Year 2008-09 are shown in addition to operating activity in summary form in the Summary of Revenues, Expenditures, Transfers, and Fund Balances.

### **Individual Department Objectives**

As in previous budget documents, there are various annual goals which each department develops consistent with the City's current Plan. Those various budget goals and objectives can be found in the departmental sections of the Budget.

### **Conclusion**

In the Fiscal Year 2008-09 Mid-Year Budget Review, special attention will be dedicated to incorporating financial activity related to Phase IV of the Study into the Budget. The revised Budget will become the basis for the next update of the Plan.

The City continues to be on a planned course to provide a strong quality of life environment for its residents and businesses. As always, staff looks forward to the new fiscal year and working with the City Council with enthusiasm.

Sincerely,

Robert C. Dunek  
City Manager

## Section Two

### TABLE OF CONTENTS

<u>Description</u>	<u>Section/Page</u>
Budget Analysis	2- 1
Summary of Revenues, Expenditures, Transfers and Fund Balances	2-15
Summary of Financial Reserve Funds	2-16
Carryover Appropriations Over \$100,000	2-17
Summary of Revenues	2-18
Summary of Expenditures by Department	2-20
Personnel Summary	2-22

## **OPERATING BUDGET ANALYSIS**

The following is a recap of major aspects of the Operating Budget ("Budget") provides the City Council with a condensed picture of the overall Budget and provides an opportunity to point out changes from previous years.

### **REVENUES**

The following is a discussion of the revenues by category of the City and Redevelopment Agency ("Agency"):

#### **TAXES**

2006-07 Actual	\$36,494,462
2007-08 Budget	36,485,100
2007-08 Estimated	37,235,500
2008-09 Projected	36,205,600

City property taxes are expected to increase a moderate 3% from Fiscal Year 2007-08 revised estimates, as the assessed valuations for Fiscal Year 2008-09 will be based on sales activity in 2007. During 2007, the decline in the real estate market continued from its inception in mid-2006, and thus, these revenues are not expected to be much higher than the two percent annual increase on Proposition 13 properties. Agency tax increment is expected to increase 6% from the Fiscal Year 2007-08 revised estimates, mostly due to redevelopment along El Toro Road.

Sales taxes are projected to decrease 10% from the Fiscal Year 2007-08 revised estimate as a result of the loss of several businesses and slowing receipts resulting from the current economic decline. All other tax revenues are expected to be stable in the upcoming year.

#### **LICENSES & PERMITS**

2006-07 Actual	\$643,158
2007-08 Budget	610,000
2007-08 Estimated	383,000
2008-09 Projected	360,000

Building permit revenues were reduced in Fiscal Year 2007-08 due to the ongoing housing market decline and this treatment has been extended through Fiscal Year 2008-09. No significant changes are anticipated in the remaining revenues. Any changes related to the Opportunities Study will be made at a later date after more information is available.

FROM OTHER GOVERNMENTS

2006-07 Actual	\$4,668,645
2007-08 Budget	3,895,900
2007-08 Estimated	5,502,300
2008-09 Projected	4,575,100

The increase in the Fiscal Year 2007-08 revised estimate from the budget was primarily due to a budget adjustment to reflect Proposition 1B grant funds received for street related projects. The decrease from the Fiscal Year 2007-08 revised estimate to Fiscal Year 2008-09 was primarily due to these grant funds. Proposition 42 funds from the State were not received or budgeted in Fiscal Year 2007-08 and these revenues are not included in the Fiscal Year 2008-09 Budget at this point, due to the State's current negative financial situation. All other revenues in this category are expected to be stable in the upcoming year.

USER FEES & CHARGES

2006-07 Actual	\$1,399,963
2007-08 Budget	972,000
2007-08 Estimated	1,316,700
2008-09 Projected	899,800

The large amounts in Fiscal Year 2006-07 and the revised estimate for Fiscal Year 2007-08 were mostly due to fees related to the Opportunities Study. These fees have been budgeted after new deposits are received in Mid-Year Budget Reviews. Any changes related to the Opportunities Study will be made at a later date after more information is available.

### FINES & FORFEITURES

2006-07 Actual	\$505,457
2007-08 Budget	480,000
2007-08 Estimated	520,000
2008-09 Projected	520,000

No significant changes are anticipated.

### USE OF MONEY & PROPERTY

2006-07 Actual	\$4,664,408
2007-08 Budget	3,679,400
2007-08 Estimated	4,419,400
2008-09 Projected	3,093,300

The primary component in this category is investment earnings and rates were favorable in the last few years as a result of multiple increases in interest rates made by the Federal Reserve Board. The decrease in Fiscal Year 2008-09 is mostly related to multiple decreases in interest rates made by the Federal Reserve Board in response to the housing market decline, the credit crisis and the current economic decline.

### OTHER REVENUE

2006-07 Actual	\$126,812
2007-08 Budget	90,000
2007-08 Estimated	74,000
2008-09 Projected	90,000

The increase in Fiscal Year 2006-07 estimated was primarily due to state-mandated cost reimbursements received from the State for prior years. These reimbursements had been suspended in prior years and the State has started to repay these amounts and will continue to do so over time. No other significant changes are expected in Fiscal Year 2008-09.

## EXPENDITURES

The amounts listed for each department include City and Agency expenditures. The following is a discussion of any significant changes including new positions or programs in the expenditures for each department:

### CITY COUNCIL

2006-07 Actual	\$204,125

## FUND ANALYSIS

Following is a discussion of some of the City's larger funds with material activity budgeted in Fiscal Year 2008-09. Agency funds are not included in this discussion, as this has been addressed in the Agency Budget.

### GENERAL FUND

Revenues are projected at \$36.3 million, a decrease of 7.8% from the Fiscal Year 2007-08 revised estimate. This decrease is primarily due to an anticipated decline in sales tax revenues of 10% and a projected decrease in investment earnings of approximately 35%.

Operating expenditures are projected at \$32.1 million as compared to the Fiscal Year 2007-08 adopted budget amount of \$29.9 million (an increase of \$2.3 million or 7.1%). This change was largely due to proposed new programs/positions as noted above and an increase in police costs pursuant to the renegotiation of the Orange County Sheriff Department employment contract.

Net interfund transfers out are projected at -\$9.5 million as compared to the Fiscal Year 2007-08 adopted budget amount of -\$12.8 million (a decrease of \$3.3 million). This change was due largely to a decrease in the transfer to the Capital Improvement Projects Fund from the prior year. This transfer consisted of revenues in excess of expenditures from Fiscal Year 2005-06, pursuant to the City's ongoing policy. The remaining decrease resulted from the decrease of required reserves due to declining General Fund revenues.

This fund is expected to have available fund balances of \$46.2 million at the end of the year, with all reserves fully funded.

### GAS TAX FUND

Revenues are projected at \$2.1 million as compared to the Fiscal Year 2007-08 revised estimate of \$2.7 million (a decrease of \$0.6 million or 28%). This change is mostly due to Proposition 1B funds received in Fiscal Year 2007-08 offset by the State's Fiscal Year 2008-09 resumption of Proposition 42 payments.

Expenditures are \$1.9 million as compared to the Fiscal Year 2007-08 adopted budget amount of \$1.7 million (an increase of \$0.2 million or 11%). This decrease is primarily due to revised estimates for the street maintenance contract with the County of Orange.

#### MEASURE M FUND

Revenues are projected at \$1 million as compared to the Fiscal Year 2007-08 revised estimate of \$1.1 million (a decrease of \$0.1 million or 10%). This decrease is primarily due declining sales tax revenues resulting from the current economic decline.

Expenditures in this fund are similar to prior years.

This fund is expected to have available fund balances of \$0.9 million at the end of the year and the balances will be used for future street repaving and slurry seal capital maintenance projects.

#### ETNIES SKATEPARK FUND

Revenues are projected at \$179,000, as compared the Fiscal Year 2007-08 revised estimate of \$65,600 (an increase of \$113,400 or 173%). This increase was primarily due to the elimination of a half a year of budgeted admission revenues in Fiscal Year 2007-08, as usage of the park has remained free.

Expenditures are \$376,900 as compared to the Fiscal Year 2007-08 adopted budget amount of \$366,600 (an increase of \$10,300 or 2.8%).

This fund will have no estimated available fund balance at the end of the year after an interfund transfer from the General Fund of \$197,900. Staff will advise the City Council of any potential adjustments to this fund at the Mid-Year Budget Review.

#### CERTIFICATES OF PARTICIPATION FUND

This fund is balanced with respect to interfund transfers in and expenditures.

### AIR QUALITY IMPROVEMENT FUND

Revenues in this fund are similar to prior years. No expenditures are projected for this year.

### COMMUNITY DEVELOPMENT BLOCK GRANT FUND

Entitlement revenues and expenditures are based on the Fiscal Year 2008-09 allocation from the Department of Housing and Urban Development. In addition, revenues from the rehabilitation loan program are included.

### POLICE GRANT FUNDS

This fund is balanced and it is recommended that the Supplemental Law Enforcement Fund be used for the additional sergeant previously added, which can continue for future years.

### RESERVE FUNDS

In accordance with the Reserve Policy adopted by the City Council in February 2007, three types of reserves were established: 1) Undesignated (2/3 of 40% of General Fund revenues), 2) Economic Contingency (1/3 of 40% of General Fund revenues), and 3) Emergency Services. The projected balances representing full funding at June 30, 2009, are as follows:

General Fund - Undesignated	\$9.7 million
Economic Contingency	4.8 million
Emergency Services	3.0 million

BY EXPENDITURE CATEGORY\*  
Fiscal Year 2008-2009**

\* Includes Redevelopment Agency activity

# CITY COUNCIL

## ***DEPARTMENT DESCRIPTION***

The City Council is comprised of five Lake Forest residents elected at large serving alternating four-year terms. The City Council selects a Mayor and Mayor Pro Tem annually. As a general law city, the City Council is responsible for making policy decisions and providing guidance on issues relating to the overall quality of life, which City staff then executes. It also represents the City with other governmental and non-governmental entities in a myriad of ways. The City Council also serves as the Redevelopment Agency.

## ***FISCAL YEAR 2007-08 MAJOR ACCOMPLISHMENTS***

1. Provided policy guidance through Phase III of the Opportunities Study for the areas previously under the 65 CNEL designations by the Airport Land Use Commission.
2. Increased community awareness through the third annual Lake Forest Community Preparedness Academy, and the City's second one-day Community Preparedness Expo.
3. Provided policy level guidance through the development of technical reports, prepared for the Orange County Flood Control District by Chang Consultants, which were envisioned with the Memorandum of Understanding for the Serrano Creek Restoration with the County of Orange, Orange County Flood Control District and Irvine Ranch Water District.
4. Provided policy-level guidance and worked cooperatively with the Parks and Recreation Commission to update the Parks and Recreation Strategic Plan, a comprehensive plan for parks, programs and facilities for the five-year period of 2007-2012.
5. Increased City's public park inventory through the exercise of Irrevocable Offers of Dedication (IODs), which transferred ownership of six parks from private homeowners' associations to the City.

## ***FISCAL YEAR 2008-09 MAJOR INITIATIVES***

1. Provide policy level leadership through implementation of the Opportunities Study Phase IV.
2. Actively encourage community governance by holding a Citizens Leadership Academy and Community Preparedness Academy
2. Provide policy direction to implement an effective urban water quality program, while challenging intrusive and unnecessary state-imposed mandates.
3. Provide leadership and policy direction on reducing traffic congestion and increasing intra-city mobility, with particular focus on the Alton Parkway and Portola Parkway gap closures.
4. Maintain active involvement/representation in organizations, committees and commissions at the local, county, state and federal level.
5. Provide policy-level guidance and continue to work collaboratively with stakeholders to advance the joint effort toward completion of the Serrano Creek Restoration project.
6. Provide leadership and policy direction on the County's Master Planning process and design phase for the future expansion of the James A. Musick Jail Facility.

# CITY MANAGER

## ***DEPARTMENT DESCRIPTION***

Responsible for making policy recommendations to the City Council and implementing them as adopted. The City Manager serves as the Chief Executive Officer of the City and is responsible for daily operations and services to the community. Additional duties include: (1) Represent the City in legislative actions (2) Oversee emergency management operations (3) Manage environmental issues (4) Oversee annual Budget and Investment Policy (5) Work with other agencies in addressing regional issues (6) Provide information to the Council in a timely manner, and (7) Serve as Executive Director of the Lake Forest Redevelopment Agency.

## ***FISCAL YEAR 2007-08 MAJOR ACCOMPLISHMENTS***

1. Provided executive oversight through completion of Phase III of the Opportunities Study including, but not limited to, weekly meetings with landowners and negotiation of various development agreements.
2. Served as Director of Emergency Services and coordinated City response efforts during the 2007 Santiago Fire and activation of the City's Emergency Operations Center.
3. Provided executive oversight for the coordination and implementation of improvements and fixed responsibility for major community creeks and watersheds including, but not limited to, meetings with citizens and County staff to bring the projects to completion.
4. Provided executive guidance for the ongoing mandate from NPDES on the Urban Runoff Plan.
5. Participated in the County's Master Planning process for the future expansion of the Musick Jail facility including, but not limited to, frequent meetings with Sheriff's Department administrative staff.
6. Provided executive oversight for the update of the City's Five-Year Strategic Business Plan.
7. Resolved negotiations and executed amended lease extension and expansion of City Hall, and completed construction of tenant improvements.
8. Guided City staff through the development of technical reports, prepared for the Orange County Flood Control District by Chang Consultants, which were envisioned with the Memorandum of Understanding for the Serrano Creek Restoration with the County of Orange, Orange County Flood Control District and Irvine Ranch Water District.
9. Provided executive oversight of the Phase I study of the Light Industrial Area and development of the Revitalization Action Plan.
10. Guided process to transfer ownership of six parks from private homeowners' associations to the City, thereby, allowing the public access to the parks.
11. Provided executive oversight for the effort to update the Parks and Recreation Strategic Plan, a comprehensive plan for parks, programs and facilities for the five-year period of 2007-2012.
12. Provided executive oversight for the Animal Services Study.

***FISCAL YEAR 2008-09 MAJOR INITIATIVES***

1. Provide executive oversight for implementation of the Opportunities Study Phase IV.
2. Provide executive oversight of the planning efforts for a Sports Park and new Community Center/City Hall.
3. Provide executive oversight for implementation of the fiscal year 2007-09 Capital Improvement Program and scheduled update to the Five-Year Business Plan in 2009.
4. Provide executive leadership to foster continued redevelopment in the Arbor on El Toro.
5. Provide executive oversight of efforts to expedite completion of the Alton Parkway gap, encourage the completion of Portola Parkway and support the construction of the Foothill South project.
6. Actively monitor and participate in the County's Master Planning process for the future expansion of the Musick Jail facility.
7. Provide executive oversight during implementation of the Revitalization Action Plan for the Light Industrial Area.
8. Provide executive direction for Normandale Park and Regency Park development.
9. Work collaboratively with stakeholders to advance the joint effort to complete the Serrano Creek Restoration project.
10. Provide executive oversight for development of the Five-Year Strategic Business Plan.

# REDEVELOPMENT/ECONOMIC DEVELOPMENT

## ***DEPARTMENT DESCRIPTION***

The Redevelopment/Economic Development Department is responsible for the creation and implementation of comprehensive redevelopment, economic development, affordable housing and revitalization activities in the City. The department coordinates public information and promotional tools; provides business assistance programs; encourages growth and development of a diversified business community; and provides staff support to the Council/Agency and Commissions.

## ***FISCAL YEAR 2007-08 MAJOR ACCOMPLISHMENTS***

1. Successfully implemented the City's Community Development Block Grant Program and timely prepared all required reports.
2. Initiated process to acquire Front Street and Almond Street and authorized preparation of an engineering analysis to evaluate site opportunities and constraints.
3. Disseminated surveys to property owners and tenants of Saguaro Street to explore potential of a neighborhood improvement strategy.
4. Implemented expanded business outreach tools that promoted Lake Forest businesses and fostered City/business relations through business visitations, creation of a business marketing brochure and business training events.
5. Opened dialogue with several property owners and developer entities and issued a Request for Proposal to explore affordable housing opportunities consistent with goals and objectives of the Housing Element and Redevelopment Plan.
6. Adopted updated Design Guidelines for the Redevelopment Project Area.
7. Expanded the Housing Rehabilitation Loan Program by increasing available funding assistance with Redevelopment Agency set-aside funds and amending the program guidelines.
8. Fostered dialogue and worked cooperatively with owners and tenants to facilitate revitalization and redevelopment in the project area.
9. Conducted the Mid-Term Review of the Five-Year Implementation Plan and Ten-Year Affordable Housing Compliance Plan.
10. Adopted Revitalization Action Plan for the Light Industrial Area.

## ***FISCAL YEAR 2008-09 MAJOR INITIATIVES***

1. Lead a City staff team to implement the Revitalization Action Plan for the Light Industrial Area.
2. Update the Agency's Policies and Procedures for Conformance Review.
3. Work cooperatively with property owners to facilitate additional revitalization of commercial centers in the Arbor and promote business growth and expansion in the Arbor.

***FISCAL YEAR 2008-09 MAJOR INITIATIVES (Continued)***

4. Pursue affordable housing opportunities to alleviate the Excess Surplus in the Low and Moderate Housing Fund and address the City/Agency's affordable housing needs.
5. Expand business outreach efforts via enhanced business communications, increased outreach to businesses and training seminars and events.
6. As necessitated, begin implementation of neighborhood improvement activities in the Saguaro Neighborhood.
7. In conjunction with Development Services, lead an evaluation of changing demographics and trends in code enforcement infractions in older neighborhoods within the project area and recommend policies and programs to protect the character and integrity of the area.

# CITY ATTORNEY

## *DEPARTMENT DESCRIPTION*

The City Attorney acts as legal advisor to the City Council, City Manager, various City departments, commissions, committees and boards. The City Attorney prepares or approves as to legal form all proposed City ordinances, resolutions, agreements, contracts, deeds and other legal documents. The City Attorney also represents the City in all litigation in which the City is involved and prosecutes violations of City laws. The City of Lake Forest contracts with the law firm of Best, Best & Kriegger, LLP for legal services.

## *FISCAL YEAR 2007-08 MAJOR ACCOMPLISHMENTS*

1. Assumed control, from the District Attorney's Office, over all misdemeanor prosecution arising within the City, including trespassing violations. Successful in obtaining guilty verdicts, fines and stay away orders for criminal defendants.
2. Continued working on the Opportunities Study and the acquisition of park land sites from the County of Orange.
3. Completed comprehensive code enforcement training for all City Code Enforcement Staff. Instituted new code enforcement intake procedures to streamline the code enforcement process.
4. Completed City's assumption of ownership and operation of numerous community park sites.
5. Completed major community stabilization initiatives resulting in the enactment of a massage establishment moratorium.
6. Successfully prosecuted and defended numerous matters, at the administrative and trial level, relating to massage technicians and massage establishments.
7. Obtained two preliminary injunctions against the Lake Forest Bodycentre and defeated a Temporary Restraining Order request from the ACLU involving the City's former solicitation ordinance.
8. Completed re-codification of several titles of the Lake Forest Municipal Code.

## *FISCAL YEAR 2008-09 MAJOR INITIATIVES*

1. Assist City in real estate transactions relating to acquisition and exchange of park sites under the Opportunities Study.
2. Continue work on Opportunities Study enactments such as the General Plan amendment, environmental review, dedication and financing of public facilities, and development agreements with property owners.
3. Comprehensive review and update of Lake Forest Municipal Code Title 9.
4. Create new Conditional Use Permit and Zoning requirements for new and existing massage establishments.

# FINANCE

## ***DEPARTMENT DESCRIPTION***

The Finance Department is responsible for a variety of functions including accounting, budgeting, payroll, investments, contract management, and purchasing. In addition, assistance is provided for computer maintenance. The Director of Finance carries the subtitle of City Treasurer.

## ***FISCAL YEAR 2007-08 MAJOR ACCOMPLISHMENTS***

1. Completed the User Fee and Rate Study.
2. Performed a cash flow analysis for the investment portfolio.
3. Completed implementation of new contract software.
4. Provided City staff with a user-friendly guide to the contracting process.
5. Researched and analyzed the benefits of credit card acceptance.
6. Analyzed and implemented job tracking software into the accounting system.
7. Completed an update of the Five-Year Strategic Business Plan.
8. Researched and analyzed a purchasing card program.
9. Implemented a Fraud Policy to be utilized by City staff.

## ***FISCAL YEAR 2008-09 MAJOR INITIATIVES***

1. Perform an assessment for a new accounting software system.
2. Evaluate financing options for the Opportunities Study to provide funding for future public facilities.
3. Implement the acceptance of credit cards to enhance convenience of transactions with residents and others who do business with the City.
4. Implement a purchasing card program to increase efficiencies in the accounts payable process.
5. Initiate and complete an update of the Five-Year Strategic Business Plan including anticipated activity related to the Opportunities Study.

# DEVELOPMENT SERVICES

## ***DEPARTMENT DESCRIPTION***

The Development Services Department is responsible for the development and administration of programs that guide the City's growth and development. The Department provides planning-related staff support to the Council and Planning Commission and coordinates the activities of the regional development agencies within the City. The Department coordinates with the redevelopment project area efforts. The three functional areas are Current and Advanced Planning, Building and Code Enforcement.

## ***FISCAL YEAR 2007-08 MAJOR ACCOMPLISHMENTS***

1. Completed the environmental review for Phase 3 of the Opportunities Study and presented the Environmental Impact Report, General Plan Amendment, Zone Change and Development Agreement for Planning Commission and City Council consideration.
2. Updated the Housing Element and presented for City Council consideration.
3. In conjunction with the Redevelopment Agency, completed Phase 1 for the Light Industrial Area and presented for City Council consideration.
4. In conjunction with the Redevelopment Agency, completed the Go Local Transit Study and presented for City Council consideration.
5. Reviewed projects in adjacent jurisdictions affecting Lake Forest such as the Alton Parkway environmental impact report, regional housing needs allocation, Southern California Association of Governments, regional comprehensive plan, and regional transportation plan, and Planning Area 40 in the City of Irvine.
6. Enhanced the Department's use of technology by publishing geographic information systems (GIS) maps to ArcReader and integrating the imaging system with the GIS system.
7. Implemented a Green Building website to provide information to the residents and businesses of Lake Forest.
8. Launched the Code Enforcement software upgrade with a mobile access platform.

## ***FISCAL YEAR 2008-09 MAJOR INITIATIVES***

1. Process discretionary applications that implement the Opportunities Study.
2. In conjunction with the Community Services Department, complete the environmental review for the Regency/Normandale Park site and the County Open Space.
3. Complete the environmental review for the Rockfield Streetscape Project.
4. Develop and present for City Council consideration a proposal to adopt an Administrative Citation Program for City code violations.
5. Review and select a Building and Safety software system to serve the community.
6. Review projects in adjacent jurisdictions and regional programs that may affect Lake Forest.
7. Complete revisions to the Title 9 Zoning Ordinance (Phase 2) and present for City Council consideration.
8. Participate on staff team to implement the Revitalization Action Plan in the Light Industrial Area.

# PUBLIC WORKS

## *DEPARTMENT DESCRIPTION*

Public Works is responsible for engineering programs and services such as maintenance of: municipal services/facilities, public streets, storm drains, bicycle/pedestrian facilities, municipal buildings, parkways, medians, and parks. In addition, Public Works also administers the water quality program to maintain compliance with federal, state, and local regulations and promote pollution prevention through inspections, education, and enforcement. The department investigates and resolves citizen inquiries related to engineering, maintenance, and traffic circulation issues. They conduct many on-site field meetings with community representatives and conduct researches in regards to contracts for maintenance and professional services for engineering. The department implements/manages programs and services for solid waste collection disposal and recycling; initiates planning, budgeting, design, bidding, construction contract administration and inspection of capital improvement projects. Other services offered by the Public Works Department are to analyze development applications to determine public works and transportation impacts; provide responsive transportation and encroachment permit processing and inspection services; administer bus bench/shelter facilities; and work with other governmental agencies on design and construction of its facilities.

## *FISCAL YEAR 2007-08 MAJOR ACCOMPLISHMENTS*

1. Continued to participate in the Alton Parkway Project Development Team.
2. Worked collaboratively with stakeholder agencies to form the Portola Parkway Project Working Group.
3. Worked collaboratively with Memorandum of Understanding (MOU) stakeholders through the development of the Chang Consultants Technical Report, prepared for the Orange County Flood Control District, to advance the Serrano Creek Project.
4. Actively participated in the National Pollutant Discharge Elimination System permit renewal efforts with the Santa Ana and San Diego Regional Water Quality Control Boards.
5. Completed State grant-funded pollution reduction study project at Pebble Creek Park.
6. Generated proposal requests, verified qualifications, and recommended contract awards under the Capital Improvement Projects Budget for the Lake Forest Drive Drainage Improvement, Traffic Signal Preemption, Traffic Management Center Planning Report, and Comprehensive Review of Medians, Parkway, and Slopes, and Parks Landscape Maintenance Specifications.
7. Awarded or extended the terms for maintenance of tree, parks, medians, parkways and slopes, bus shelters, street sweeping, City Hall janitorial, and park and playground safety inspection services.
8. Initiated landscape maintenance along the northbound I-5 Freeway shoulders, and for off-ramp and on-ramp landscaping at El Toro Road and Lake Forest Drive through the Caltrans Adopt-a-Highway Program Agreement.

***FISCAL YEAR 2007-08 MAJOR ACCOMPLISHMENTS (continued)***

9. Accepted maintenance responsibility for six parks acquired through the acceptance of irrevocable offers of dedication and performed the following improvements to these parks; installed park rules signs, renovated turf, resurfaced and restriped various sport courts, made improvements to sports fields, trimmed trees, repaired and improved playgrounds, installed electric door locks, installed Americans with Disabilities (ADA) drinking fountains, and increased the number of Expand the Forest Program tree sites by over 180.
10. Completed repairs of damaged City-owned property as a result of the 2007 Santiago Fire and obtained reimbursement of expenditures through FEMA.
11. Completed projects under the Capital Improvement Projects including: Serrano Creek and Cavanaugh Mini Park Play Structures, Lake Forest Drive Median Fence Replacement, Sidewalk Repairs, Borrego Park Turf Improvements, Pheasant Street Storm Drain, El Toro/Trabuco Intersection Improvements, Street Pavement Repairs, and ADA Wheelchair Access Ramp Improvements.
12. Initiated the preparation of final plans, specifications, and construction estimates for the Rockfield Boulevard Streetscape and the Railroad Access Road Surfacing & Landscape projects.
13. Worked collaboratively with the County Integrated Waste Management staff to update the Waste Disposal Agreement.
14. Secured grant funding from Metropolitan Water District for the purchase of Smart Irrigation Controllers to comply with changes in State law.

***FISCAL YEAR 2008-09 MAJOR INITIATIVES***

1. Continue to participate in the Alton Parkway Project Development Team to ensure completion of final design and commencement of construction.
2. Continue to participate with stakeholders agencies to form the Portola Parkway Working Group.
3. Work collaboratively with MOU stakeholders to advance the joint effort to advance the Serrano Creek Project.
4. Complete the Project Planning Report regarding benefits of real-time communications with each traffic signal in the City and a Citywide Traffic Management Center.
5. Construct projects identified in the Capital Improvement Projects Budget including: Watershed Management Projects, El Toro Enhanced Landscape Lighting, El Toro Road/Swartz Drive Landscape Median and Monument, Sidewalk Repair, Neighborhood Traffic Improvements - Trabuco Road at Lake Forest Drive, Light Industrial Area Street Improvements, Street Resurfacing and Slurry Seal, Americans with Disabilities Act Access Ramp Improvements, Traffic Signal Preemption, Lake Forest Drive Drainage Improvement, Heroes Park Snack Bar and Restroom, and Universally Accessible Playground.
6. Initiate landscape maintenance along the 241 Toll Road, as well as landscaped medians adjacent to the on/off ramps through the Caltrans Adopt-a-Highway Program.

***FISCAL YEAR 2008-09 MAJOR INITIATIVES (continued)***

7. Implement fourth term of the National Pollutant Discharge Elimination System (NPDES) Permits requirement with the Santa Ana and San Diego Regional Water Quality Control Boards.
8. Ensure compatibility of development conditions with stakeholder objectives for Borrego Canyon Wash stabilization and flood control improvements.
9. Complete the Comprehensive Landscape Maintenance Standards for Review of Medians, Parkways, and Slopes and Parks, including plant palettes.
10. Purchase and install Smart Irrigation Controllers utilizing grant funds received from Metropolitan Water District.

# MANAGEMENT SERVICES

## ***DEPARTMENT DESCRIPTION***

The Department of Management Services includes the divisions of Human Resources, Information Technology and Public Affairs. The Department coordinates the recruitment of talented and highly qualified candidates to join the City's workforce, provides safety training and directs the City's risk management program. The Department manages the City's technology needs and sets strategic guidelines to achieve long-term technology goals. The Department also manages public information, including City publications, websites and communication with the media. The Director is responsible for serving as the Public Information Officer.

## ***FISCAL YEAR 2007-08 MAJOR ACCOMPLISHMENTS***

1. Purchased and implemented an applicant tracking system which includes an on-line job application program to assist staff with recruitments.
2. Created a leadership development program for employees.
3. Conducted bi-annual compensation study.
4. Implemented a new City website that utilizes web content management software to manage and update content internally.
5. Developed an employee Intranet site.
6. Evaluated the levels of service provided by the City's contract animal control partner for adequacy and performance and recommended modifications as appropriate.

## ***FISCAL YEAR 2008-09 MAJOR INITIATIVES***

1. Enhance existing wellness exercise program for employees.
2. Conduct Resident and Business Satisfaction survey.
3. Implement a new Lake Forest Communications Plan to optimize the use of city publications, websites, public education government channels and other communication tools to convey information to residents and businesses.
4. Update Lake Forest Strategic Information Technology Guide to plan the City's investment in technology over the next five years.
5. Post geographic information system (GIS) maps for public use on Lake Forest website.

# COMMUNITY SERVICES

The Community Services Department provides planning and coordination of community recreation-related activities and programs that include youth, teens, adults, families and seniors. The Department also plans citywide special events, Nature Park and Skatepark programs, excursions and park openings. The Department also coordinates and manages the planning and design of recreation and community facilities.

## ***FISCAL YEAR 2007-08 MAJOR ACCOMPLISHMENTS***

1. Completed construction of Serrano Creek and Cavanaugh Mini-Park Playground renovations.
2. Coordinated design and construction of a universally accessible playground at Pittsford Park.
3. Began implementation of Community Services Department Five-Year Strategic Plan.
4. Coordinated acceptance of six irrevocable offers of dedication parks to City ownership.
5. Filed Articles of Incorporation for Lake Forest Foundation.
6. Began design of snack bar and concession stand at Heroes Park.
7. Initiated "Take a Hike Lake Forest" program.
8. Transitioned programs provided under the current agreement with Saddleback Valley Unified School District to the City including preschool programs, special events and the Autumn Harvest Festival.
9. Provided additional recreation programs for families including: Arbor events, First Responder's Appreciation Event, expanded Nature Park programs and Inaugural Pet Day.

## ***FISCAL YEAR 2008-09 MAJOR INITIATIVES***

1. Complete construction of universally accessible playground.
2. Coordinate design and construction at various parks: Alton, Borrego, El Toro, Foothill Community and Ranchwood Parks.
3. Increase contract class revenue and cost recovery.
4. Assist in the design, planning and acquisition of proposed recreational facilities including but not limited to: Community Sports Park, Community Center, and Regency/Normandale Park.
5. Begin construction of snack bar and concession building at Heroes Park.
6. Establish 501(c)(3) Lake Forest Foundation.
7. Increase skatepark cost recovery.
8. Coordinate design for skatepark improvements.

# POLICE SERVICES

## ***DEPARTMENT DESCRIPTION***

Police Services is responsible for public safety and general law enforcement within the City, including patrol services, traffic enforcement and criminal investigation. Police Services provides a variety of Community Policing Programs including Crime Prevention, Community Awareness and volunteer programs. The department also administers the animal control contract with the County of Orange Health Care Agency.

## ***FISCAL YEAR 2007-08 ACCOMPLISHMENTS***

1. A national firm ranked Lake Forest the 8<sup>th</sup> safest city for cities of its size and the 10<sup>th</sup> safest city in the U.S. overall. Deputies were responsible for 1,078 in-custody arrests and 414 warrant arrests.
2. Traffic enforcement continued as a priority for Police Services. Police Services' personnel issued 4,517 citations for moving violations and 5,534 parking citations. Injury traffic collisions decreased slightly from 196 to 187, and all collisions decreased from 644 to 542. The traffic index was 27.2 for 2007.
3. Driving Under the Influence (DUI) enforcement was also a priority in 2007. DUI was the second highest causal factor in traffic collisions within the City. Working with the department's DUI task force, a DUI checkpoint and several roving units were deployed to supplement the existing patrol force, resulting in numerous drunk driving arrests, citations and vehicle impounds. In addition to state grant funded opportunities, Police Services deployed several directed DUI enforcement teams to supplement our enforcement effort. As a result, Lake Forest Police Services made 274 arrests for driving under the influence, more than any other contract city.
4. The Traffic Enforcement and Education Program was implemented. Two mobile radar trailers were purchased to replace old, inoperable equipment. The assets have been deployed on a regular basis. Fixed speed indicator signs will be deployed in optimal locations to reduce speed and prevent speed-related collisions. The program remains in the implementation stage and continues to develop. As a result, program outcomes have not been measured.
5. Preparing the community for emergencies continued to be a priority and was accomplished. The third annual Community Preparedness Academy was completed. This 8-week program is a joint effort between the City, the Orange County Sheriff's Department, the Orange County Fire Authority, Medix Ambulance Service and the American Red Cross, and has been designed to teach participants the basics of disaster preparedness. In addition, Lake Forest held the second Community Emergency Preparedness Expo. Hundreds of local residents attended this one-day event and were presented with preparedness information and materials from a host of participants. The recent addition of a Public Safety Manager will enable the City to broaden preparedness programs and continue community education and preparation efforts.
6. Neighborhood Watch and Business Watch outreach continued. The number of participants remained unchanged during this fiscal year.

***FISCAL YEAR 2007-08 ACCOMPLISHMENTS (continued)***

7. The newly-added Public Safety Manager has assumed responsibility for emergency preparedness, the City's Hazardous Mitigation Plan, and emergency operations. The City's emergency response system was tested in October 2007 during the Santiago Fires and was proven successful.

***FISCAL YEAR 2008-09 MAJOR INITIATIVES***

1. Continue to provide an effective and aggressive traffic enforcement program, utilizing grant monies from the Office of Traffic Safety, to ensure the safety of motorists and reduce the number of injury traffic accidents.
2. Implement mass notification system. Utilize the system for city or regional emergencies and, when appropriate, crime trend notifications to affected members of the community as a crime prevention tool.
3. Continue efforts to improve residents' ability to prepare for, respond to, and recover from a disaster by hosting Community Preparedness Academies for community members, as well as another one-day disaster preparedness event for the general public.
4. Continue to participate in regional emergency operations exercises. Develop, submit and obtain FEMA approval of the City's Hazard Mitigation Plan. Design and implement table-top emergency preparedness exercises for City employees to test National Incident Management System and emergency operation center protocols. Participate in local and regional emergency exercises.
5. Implement paper shredding program to reduce incidents of fraud and identity theft. Program will be conducted at City Hall and advertised in the Leaflet, at community events, and during Neighborhood Watch presentations. Target outcome is a reduction of fraud and identity theft in the first year of the program.
6. Implement the Tracking Automated and Graffiti Reporting System (TAGRS) and develop procedures for reporting, monitoring, and apprehending vandals. The concept of this program focuses on abatement, cost recovery and prosecution. Targeted outcomes include a significant reduction in incidents of graffiti, decreased costs of abatement, and increased clearance rates (solved cases).
7. Implement Barking Dog Ordinance as directed by City Council. Reduce barking dog complaints by 20% by Fiscal Year 2008-09 end.
8. Implement recommendations and initiatives as directed by the City Council for the Animal Control Study.

# FIRE SERVICES

## ***DEPARTMENT DESCRIPTION***

The Orange County Fire Authority provides fire services to the City. The Authority provides fire protection and suppression, inspection services, paramedic emergency medical services, technical rescue services and hazardous material response.

## ***FISCAL YEAR 2007-08 ACCOMPLISHMENTS***

1. Participated in City Safety Fair (Fall 2007).
2. Santiago Fire - prevention, preparation, response, and recovery.
3. Post fire recovery efforts included:
  - a. Met with homeowners' associations to assist with repair of Fuel Modification Zones.
  - b. Worked with City and County agencies to prepare for potential mudslides and debris flows below burned areas during the rainy season.
4. Assisted with selection of new City Public Safety Manager (January 2008).
5. Provided Life and Fire Safety Puppet Programs for Kindergarten through third grade (March 2008).
6. Delivered Team Fire Force Program for fourth-graders. This is a three-phase fire safety course that involves the Orange County Fire Authority (OCFA), teachers, and parents. Team Fire Force replaces the older Junior Firefighter Program, and the materials are tied to State academic curriculum standards.
7. Participated in mock driving under the influence crash at El Toro High School in April.

## ***FISCAL YEAR 2008-09 MAJOR INITIATIVES***

1. Update the Pre-Fire Plan for "The Woods." This updated emergency plan will provide specific details about the burning characteristics of the fuels in this area, along with tactical plans for firefighting, rescue, water supply, evacuation, and interagency coordination.
2. Participate in Fourth of July Parade. The OCFA will have an entry in the parade with applicable fire prevention messages.
3. Assist with High Fire Hazard Severity Zone Mapping System. OCFA will continue to monitor the impacts upon the City and residents of Lake Forest.
4. Investigate a Red Flag Patrol Program using the Laguna Niguel model. The Red Flag Patrol Program would use pre-trained citizen volunteers to act as additional "eyes and ears" to help prevent arson during hot, dry, Santa Ana winds.
5. Participate in City Emergency Operations Center exercises.

## ***FIRE SERVICES BUDGET OVERVIEW***

The Orange County Fire Authority funds their service in the City of Lake Forest using a formula derived from direct property tax income. This amount allocated is based on 11.11% of 1% of the total assessed value of properties in Lake Forest.

# VEHICLE REPLACEMENT

## *DEPARTMENT DESCRIPTION*

The Vehicle Replacement is an Internal Service Fund created to isolate the costs of vehicles and then allocating those costs to the appropriate operating departments. The Departments that have vehicles each pay an amount which is shown as an expenditure item in the operating department budget. This payment becomes revenue for the Vehicle Replacement Fund.

<b>VEHICLE REPLACEMENT BUDGET DETAIL</b>
--

<b>Expense Classification</b>	<b>Actual 2006-07</b>	<b>Adopted Budget 2007-08</b>	<b>Request 2008-09</b>	<b>Adopted Budget 2008-09</b>
<u>Public Works Department:</u>

# GENERAL FUND

## Description

The General Fund is used to account for all City resources which are not required by law or sound financial management to be accounted for in another fund. Principal sources of revenue include sales taxes, property taxes, licenses and permits, fees for services rendered and State-shared revenue. General Fund resources are used to provide a broad range of services including most of those traditional to local government.

## Expenditure Detail

Description	Actual 2006-07	Adopted Budget 2007-08	Adopted Budget 2008-09
City Council	\$200,225	\$219,400	\$232,450

Miscellaneous Repair and Replacement		10,000	10,000
TOTAL	<u>\$1,595,236</u>	<u>\$1,694,000</u>	<u>\$1,887,100</u>

# MEASURE M FUND

## Description

The Measure M Fund was established to account for funds which are "turned back" to cities for street maintenance and/or street improvement purposes.

## Expenditure Detail

<b>Description</b>	<b>Actual 2006-07</b>	<b>Adopted Budget 2007-08</b>	<b>Adopted Budget 2008-09</b>
Street Repaving and Slurry Seal	<u>\$1,825,263</u>	<u>\$1,029,000</u>	<u>\$1,029,000</u>

# ETNIES SKATEPARK FUND

## Description

The Etnies Skatepark Fund is used to account for revenues received from Etnies, Coca-Cola and other sponsors. The expenditures account for operations of the Skatepark.

## Expenditure Detail

<b>Description</b>	<b>Actual 2006-07</b>	<b>Adopted Budget 2007-08</b>	<b>Adopted Budget 2008-09</b>
Personnel	\$255,540	\$281,100	\$280,100
Operations and Maintenance	55,385	85,500	96,800
Capital Outlay	50		
<b>TOTAL</b>	<b>\$310,975</b>	<b>\$366,600</b>	<b>\$376,900</b>

# POLICE GRANTS FUND

## Description

The Police Grants Fund is used to account for all police grants received by the City. This Fund currently consists of a Supplemental Law Enforcement Fund grant, established pursuant to AB 3239 (Brulte) to account for revenues and expenditures for certain police services. Expenditures can only be used for police services and cannot supplant the existing police services budget.

## Expenditure Detail

<b>Description</b>	<b>Actual 2006-07</b>	<b>Adopted Budget 2007-08</b>	<b>Adopted Budget 2008-09</b>
Law Enforcement - Patrol (Brulte)	<u>\$154,459</u>	<u>\$113,000</u>	<u>\$138,800</u>

# COMMUNITY DEVELOPMENT BLOCK GRANT FUND

## Description

The Community Development Block Grant Fund is used to account for revenues received from the Federal Government under the Community Development Block Grant program. Eligible activities can include acquisition, disposition, planning studies, public services, housing and commercial rehabilitation, public facilities improvements, and administration.

## Expenditure Detail

Description	Actual 2006-07	Adopted Budget 2007-08	Adopted Budget 2008-09
Administration	\$35,654	\$37,100	\$47,800
Code Enforcement	65,000	147,200	100,000

# ORGANIZATIONAL CHART

# COMMUNITY HISTORY

Lake Forest incorporated as a new City, under the general laws of the State of California, on December 20, 1991. The City is Orange County's 31<sup>st</sup> City and the second largest in the Saddleback Valley.

When Don José Serrano settled the area, which was originally called Rancho Cañada De Los Alisos (the Valley of the Sycamores), through a Mexican Land Grant in 1846, he may have envisioned the area as it is today -- an area rich in family values with a hometown feeling. For more than a century, the land was known as El Toro, after the bulls that roamed Don José Serrano's ranch. The land remained with Don José and his family until financial problems forced him to turn the land over to private interests. The legacy of the Serrano family lives on in Lake Forest through the Serrano Adobe located in the Heritage Hill Historical Park, which was a part of the family's original ranch.

In the early 1900s, Dwight Whiting, a resident of the area, planted 400 acres of fast-growing eucalyptus trees as an answer to the California lumber shortage. Although the trees failed as a source of lumber, in the 1960s, master developer Occidental Petroleum decided to create a master-planned community around the trees and man-made lakes. The eucalyptus provided landscaping for the modern homes and led to the "Forest" in Lake Forest.

Although Lake Forest has been an official City in Orange County since 1991, the Lake Forest area has a long history. Beginning as an agricultural area like most of the Orange County region, Lake Forest began to grow rapidly following World War II. Residential, commercial and industrial development began to replace the acres of citrus and other agricultural products. A significant reason for the change was the growing importance of the El Toro Marine Base. The growth of the Base increased the need for new homes and people support services. Steadily, the Lake Forest area was built into the City we have today.

The steps toward City-hood began in August 1989 when a group of citizens formed the Community Coalition for Incorporation. Hoping to gain control of the issues affecting the Lake Forest area, the group worked toward gaining City-hood for Lake Forest. The group was successful in putting the Measure on the ballot and City-hood was approved on March 5, 1991, along with the City's first City Council. On December 21, 1991, Lake Forest became the 31st City to incorporate in the County of Orange.

The City has also grown in size from its original incorporated boundaries as a result of several annexations. The City is now 16.6 square miles.

The City of Lake Forest has balanced growth with an emphasis on quality of life. It provides a rich tapestry of activities for the young and old. The City features 19 public parks, which provide active recreational opportunities to area residents. The 1,500-acre Whiting Ranch Wilderness Park (County operated) is in the northern part of the City and contains a vast amount of open space for hiking and equestrian activities.

The official City flower -- Purple Statice (*Limonium*); City bird -- hummingbird; and City song -- "Beautiful City" by Steven Swartz clearly acknowledge that Lake Forest is a beautiful City where "Remember the Past -- Challenge the Future" is not only a slogan but a tie of the City's history with the events of today and the future.

# DEMOGRAPHIC FACTS AND FIGURES

## TO BE UPDATED

### Demographic Breakdown\*

Population	82,194
City Size	16.6 square miles
Housing Units	28,402
Ethnic Composition	
White	56.8%
Hispanic	19.8%
Asian/Pacific Islander	10%
Black	1.2%
Other	12%
Median Age	36.2
Median Income	\$90,443

# GLOSSARY OF BUDGET TERMS

Amendment An amendment is a change in the budget which occurs after its initial adoption. Such a change will consist of an increase or decrease in revenue which is recognized or in the level of authorized expenditures. Some amendments may be implemented by City staff, but most require formal action by the City Council.

Appropriation An authorization by the City Council to generate expenditures and to incur obligations for a specific purpose within a specific time frame.

Assessed Valuation A dollar value placed on real estate or other property (by Orange County) as a basis for levying property taxes.

Audit A review of the City's accounts by internal audit staff or an independent auditing firm to substantiate fiscal year end funds, salaries, reserves and cash on hand.

Beginning/Ending (Unappropriated) Fund Balance Unbudgeted resources available in a fund from the prior/current fiscal year after payment of the prior/current fiscal year's expenditures/expenses. This is not necessarily cash on hand.

Bond A City may raise capital by issuing a written promise to pay a specific sum of money, called the face value or principal amount, at a specific date or dates in the future, together with periodic interest at a special rate.

Budget A fiscal plan of financial operation listing an estimate of proposed applications or expenditures/expenses and the proposed means of financing them for a particular time period. The budget is proposed until it has been approved by the City Council.

Capital Improvement A permanent addition to the City's assets, including the design, construction or purchase of land, buildings or facilities, or major renovations of same.

Capital Improvements Program A financial plan of proposed capital improvement projects with single- and multiple-year capital expenditures/expenses. The Capital Improvements Program plan is for seven years and is updated annually.

Capital Outlay A budget appropriation category which budgets all equipment having a unit cost of more than a pre-approved amount and an estimated useful life over a pre-approved period.

Capital Project Funds These funds are used to account for moneys received to fund capital outlays by operation departments and general bonded debt services.

City Manager's Message A general discussion of the proposed/approved budget. The letter contains an explanation of principal budget items and summaries.

Debt Service Payment of the principal and interest on an obligation resulting from the issuance of bonds, notes or Certificates of Participation (COPs).

Debt Service Funds This fund type is used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

Deficit An excess of expenditures or expenses over revenues (resources).

Department An organizational unit comprised of divisions or programs. It is the basic unit of service responsibility encompassing a broad mandate of related activities.

Division A sub-section (or activity) within a department which furthers the objectives of the City Council by providing specific services.

Encumbrances A legal obligation to pay funds, the expenditure/expense of which has not yet occurred (purchase orders). They cease to be encumbrances when the obligations are paid or otherwise terminated.

Expenditure The actual spending of governmental funds set aside by appropriation.

Fee A fee is a charge imposed by the City on the beneficiary of a service it provides. Its purpose is to help recover some or all of the cost incurred by the City in providing a service. By law, a fee may not exceed the cost of providing a service.

Fiscal Year A twelve-month period of time to which a budget applies. In the City of Lake Forest, the fiscal year is July 1 through June 30.

Full-Time Position A full-time position is one in which an employee is budgeted to work 40 hours per week or 2,080 hours each year. All full-time positions receive benefits such as holidays, vacations, sick pay, retirement, health insurance, etc.

Fund An independent fiscal and accounting entity used to record all financial transactions related to the specific purpose for which the fund was created.

Fund Balance The amount of financial resources in a fund. Generally, this represents the detail of the accumulation of annual operating surpluses and deficits since inception.

General Fund The primary fund of the City used to account for all revenues and expenditures of the City not legally restricted as to use. This fund is used to offset the cost of the City's general obligations. Examples of divisions financed by the General Fund include City Council, Police Services and Parks and Recreation.

Grant Contributions, gifts of cash or other assets from another governmental entity to be expended for specific purpose, activity or facility. An example is the Community Development Block Grant (CDBG) provided by the Federal government.

Interfund Transfer Money transferred from one fund to another. Such money is transferred to finance the operations of another fund or to reimburse the fund for certain expenditures/expenses.

Line-Item A line-item is the detailed grouping of expenditures used in the City's accounting system. It is subordinate to expense category. Typical line items are: professional services, office supplies, travel, postage, office equipment, motor vehicles, etc.

Municipal Code A book which contains the City Council-approved ordinances currently in effect. The Code defines City policy with respect to areas such as planning, etc.

Ordinance A formal legislative enactment by the City Council. It has the full force and effect of law within City boundaries unless pre-empted by a higher form of law. An ordinance has a higher legal standing than a resolution.

Part-Time Position A part-time position is one in which an employee is budgeted to work less than 36 hours per week or for less than six months during the year. Part-time employees do not receive benefits such as holidays, vacations, sick pay, retirement, health insurance, etc.

Project Area A redevelopment project area is an area of the City which has been established by the adoption of a Redevelopment Plan and within which the Redevelopment Agency is authorized to use special powers granted by State law.

Reclassification The City maintains a classification system for all positions which establishes job titles, general duties/responsibilities and compensation. Occasionally, employees are found to be working tasks or functions which fall outside their existing classification. When this occurs, a study is conducted by the Human Resources Manager and a recommendation is made for the proper classification.

Redevelopment This term refers to activities undertaken to renovate blighted areas within the City and to provide housing to low and moderate income persons. Blight consists of a variety of conditions which constitute a serious physical, social and economic burden on the community which cannot be corrected by private enterprise acting alone. Redevelopment activities may include, but are not limited to, the acquisition and conveyance of property, site clearance and the provision of streets, utilities, parks and other public improvements.

Reimbursement Payment of amount remitted on behalf of another party, department or fund.

Reserve An account used to record a portion of the fund balance as legally segregated for a specific use.

Resolution A special order of the City Council which has lower legal standing than an ordinance.

Revenue Bonds A type of bond usually issued to construct facilities. The bonds are repaid from the revenues produced by the operation of facilities.

Salaries and Benefits A budget category which generally accounts for full-time and temporary employees, overtime expenses and all employee benefits, such as medical insurance and retirement.

Special Revenue Fund This fund collects revenue which is restricted by the City, State, or Federal government as to how the City might spend it.

Tax A tax is a levy imposed by a local government in conformance with the Government Code to raise revenue for public purposes. There are two types of taxes: general taxes imposed for general governmental purposes, and special taxes imposed for specific purposes.
