Acknowledgement

- I have received the City's Construction & Demolition Debris Recycling Requirements Sheet and Green Halo Instructions.
- I understand I must submit a Waste Reduction and Recycling Plan on Green Halo.
- I understand that if I use sub-contractors with this project, I am responsible for ensuring that they meet the requirements of CALGreen and City's Municipal Code Chapter 16.12.
- I understand that I must submit a Final Recycling Report at the completion of this project and include all weight tickets related to the project or other equivalent documentation from salvage, recycling and waste facilities.
- I understand that failure to meet the diversion requirement from CALGreen and the requirements of the City's Municipal Code will result in a forfeiture of my Recycling Deposit.

WRRP Final Recycling Report Information

- The WRRP Final Recycling Report must be submitted within 60 days from project final inspection to receive your refundable recycling deposit. Requests submitted after 60 days will not be eligible for a refund. Refunds will not be issued if all requested information and documentation is not provided.
- The project will be finalized once your Recycling Report is approved and has demonstrated that a minimum of 65% of the project waste was diverted from the landfill.

Certification

Applicant is advised of CALGreen and City of Lake Forest Municipal Code Chapter 16.12 (Construction and Demolition Debris Diversion). I certify under penalty of perjury under the laws of the State of California that the information provided in and with this form pertains to construction and demolition debris generated only from the project listed in this form, that I have reviewed the accuracy of the information, and that the information is true and correct to the best of my knowledge and belief.
