Honorable Chairman and Members of the Authority:

I am pleased to present the Lake Forest Housing Authority's ("Authority") inaugural Budget for Fiscal Year 2011-2012 for your review and approval. The Authority's work program reflects the goals and objectives of the City's Housing Element and the Redevelopment Agency's ("Agency") 10-Year Affordable Housing Compliance Plan. The activities performed by the Authority are consistent with all applicable laws and sound management practices.

Fiscal Year 2010-11 in Review

At the mid-point of Fiscal Year 2010-11, the Authority was activated for the purpose of consolidating City and Agency affordable housing activities. The vision for the Authority includes implementation of ongoing affordable housing activities, including the Transitional Housing Program. Additionally, the Authority was the lead Agency for Neighborhood Stabilization activities that included the initiation of the purchase of a four-unit property on Saguaro Street.

Fiscal Year 2011-12 Overview

During the upcoming year, the Authority's primary source of funding will be the Redevelopment Agency's Low and Moderate Income Housing Fund. This funding source will be used to fund ongoing programs and projects. In the future, it is anticipated that developer "in-lieu" fees, generated by construction activity in the Opportunities Study Area, could add a second source of revenue for the Authority and enhance its opportunities for projects.

The primary mission of the Authority is to advance the goals and objectives of the City's Housing Element and the Redevelopment Agency's 10-Year Affordable Housing Compliance Plan. As mentioned, the Authority will continue implementing the Transitional Housing Program with its non-profit partner, Families Forward. Additionally, the Authority will implement the

Neighborhood Stabilization Program on Saguaro Street by partnering with a non-profit partner and renovating the four-unit property acquired for the purpose of creating affordable housing opportunities. Together, these programs will address community needs for affordable housing and improve local neighborhoods.

During the coming year, the Authority will work diligently to complete all identified goals and objectives. Authority staff looks forward to working with the community and Authority Board in furthering the accomplishments of the past fiscal year.

Sincerely,
