

AB 341

Mandatory Commercial Recycling

California state law requires businesses, public entities and multi-family complexes to...

ESTABLISH A RECYCLING PROGRAM

To achieve a statewide 75% waste diversion goal by 2020

How this Affects You...

- Effective **JULY 1, 2012** - If your business generates more than 4 cubic yards of waste per week or your multi-family property has 5 or more units, you need to establish a recycling program. All commercial haulers have a recycling program available.

----- 4 cubic yards = 13 Wheelie Bins -----

Important Facts to Know...

Who does this affect?

- Businesses
- Public entities
- Multi-family complexes with 5 or more units

Examples include:

- Schools
- Hospitals
- Restaurants
- Businesses: Profit and Non-profit
- Government buildings
- Apartment buildings
- Strip malls

What you must do...

- Separate recyclables from solid waste and arrange for separate collection or subscribe to recycling services from your waste hauler
- Conduct recycling education and outreach activities
- Report progress
