Honorable Mayor and Members of the City Council:

The Operating Budget ("Budget") for the City of Lake Forest ("City") for Fiscal Year 2010-11 is attached for your review and approval. This Budget has been prepared consistent with the City's Strategic Business Plan ("Plan") and is inclusive of all City funds including the City's Redevelopment Agency.

### Fiscal Year 2009-10 Review

Economic development efforts continued to be a major focus for the City. A new economic development website – lakeforestbusiness.com – was launched in FY 2009-10 to promote Lake Forest as a premier location for businesses. The website includes a business-oriented quality of life video, testimonials from existing businesses, information on the successful *Shop & Dine* program, and *Commercial Properties Now*, a free service that offers information on available office, retail, and industrial space in the city. The City also formalized a partnership with the newly formed Lake Forest Chamber of Commerce to further promote business development. This partnership was celebrated with the 2010 State of the City event, held at the newly opened Mercedes-Benz of Foothill Ranch.

Despite the downturn in the economy, the City continued to secure alternative funding through its successful pursuit of grants. Police Services was the recipient of two grants – the Fiscal Year 2009 Recovery Act Edward Byrne Memorial JAG Program and Citizens Options for Public Safety. Receipt of a \$712,400 Energy Efficiency Conservation Block Grant from the Federal Government will allow the City to fund four projects contributing to more energy efficient practices, including the purchase of an energy efficient vehicle, lighting controllers for Heroes Park, an Information Technology Energy Efficiency Project, and the citywide Traffic Signal Synchronization project.

Phase IV of the Opportunities Study was initiated, and focused on planning efforts for a new sports park, recreation center, and civic center. The City Council approved a Sports Park Consensus Master Plan to be used as a basis for environmental analysis and to allow the planning process to continue. The Plan,

based upon public input, consists of three phases of development which can be modified based upon priorities, site acquisition and budgetary constraints. The City also finalized the acquisition of a 6-acre parcel located adjacent to Whiting Ranch Wilderness Park. This property, along with two others geographically co-located, will be exchanged with the County of Orange for 58 acres northwest of Portola Parkway and El Toro Road to be used as part of the Sports Park. The environmental review process for the Whisler Ranch Development, a proposed 68 unit single-family home project located in the Opportunities Study area, initiated the City's review of precise development proposals associated with this long-term, important project.

On the technology front, a new, more customer friendly City web address – [www.lakeforestca.gov](http://www.lakeforestca.gov) - debuted in January (replacing the cumbersome [www.ci.lake-forest.ca.us](http://www.ci.lake-forest.ca.us) web address), and a new automated permitting system, Energov, launched in March. The new permitting system allows for the public to track building permits online or via telephone, permit applicants to track project status and submit plans electronically, and staff to increase internal efficiencies.

The City also made significant strides on high priority capital projects, such as the Alton Parkway Gap Closure. In conjunction with the County of Orange, the Alton Parkway improvements will ultimately connect Alton Parkway from Irvine Boulevard to Towne Centre Drive. The City's portion of the project, connecting Alton Parkway between Commercentre Drive and Towne Centre Drive, is now in design stages, with construction anticipated to begin early in Fiscal Year 2010-11.

Lake Forest was recognized by Parenting OC Magazine as one of the "Best Family Neighborhoods" in Orange County, based upon the number and quality of parks and cultural resources, crime rates, academic performance index, and median sale prices for single-family homes. Once again, Lake Forest's low crime rate was also recognized by CQ Press City Crime Rankings which compares FBI crime statistics among American cities with populations over 75,000.

In light of declines in major revenues, such as property taxes, sales taxes and investment earnings, cost reductions of \$1.2 million were made during the Mid-Year Fiscal Year 2009-10 Budget Review. These reductions included cuts to out of town travel, training, park maintenance, legal advertising, extraordinary maintenance, and computer replacements. The cuts were carefully selected to avoid affecting existing service levels, while addressing the gap between revenues and expenditures.

In addition to the above, the City also continued to deliver quality services to the community in a variety of areas. The department detail portion of the budget provides more information on specific achievements in Fiscal Year 2009-10.

### **Fiscal Year 2010-11 Overview**

The "new normal" economy will be a major theme for the foreseeable future, as the City adjusts to the sustained economic downturn and the subsequent impact on revenues and expenditures. Despite these challenges, the City is in solid financial condition and will continue to make investments in the quality of life of the community, even though the effects of the ongoing recession and loss of a few businesses have reduced the City's revenue base.

While the "Great Recession" has affected the City's operating (General) fund revenues, it has not had a significant, negative affect on our ability to provide important capital projects. One up-side to the current economy is that labor and commodity prices for capital projects are low. Since the City has saved money over the years for capital projects, it can still take advantage of lower construction costs to deliver high priority projects like the Alton Parkway Gap Closure, the Rancho Parkway Gap Closure, Traffic Signal Synchronization, and further progress on the OSA sports park. These signature projects are in various design phases now and will see important progress during the up-coming fiscal year consistent with City Council and community priorities.

In Fiscal Year 2010-11, the City also will update the Five-Year Strategic Business Plan. Like the private sector, the City Council uses survey data from the Resident and Business Survey, along with financial and demographic projections to make sound, strategic decisions regarding services and plans for new projects and facilities. Consistent with that Plan, the Budget focuses on the delivery of quality services and several important projects and initiatives. The Resident and Business Survey will be conducted in fall 2010.

Delivering on our commitment to providing quality recreation amenities, the Etnies Skatepark of Lake Forest will debut an expansion of 13,000 additional square feet, including new skate features. The eagerly awaited Heroes Park Snack Bar and Restroom project is expected to be completed in the fall. The new building will provide full service amenities to visitors of Heroes Park and allow local youth sports groups the opportunity to use the concession building to prepare and sell concessions during games. El Toro Park will also receive a substantial make-over, including new play equipment, a shade structure and new landscaping. Mountain View and Concourse Parks are also slated for improvements.

Street maintenance will continue to be a focus for the community, as the City's annual asphalt projects will occur on residential streets over the summer. Construction will also begin on Phase 1 of the Rockfield Boulevard Streetscape Project, encompassing Rockfield Boulevard between El Toro Road and Los Alisos Boulevard. The overall goals of this project are to implement traffic calming measures as well as enhance the streetscape with new medians and parkways.

We welcome and look forward to cultivating collaborative relationships with new and expanding businesses expected to open in town in Fiscal Year 2010-11, including a new Fresh & Easy, a new Walgreens, an expanded Smart & Final, and an expanded WalMart. An Economic Development Strategy will be developed over the upcoming year to continue to attract new businesses and high quality jobs to the city, and the partnership with the Lake Forest Chamber of Commerce will be advanced through the Fiscal Year 2010-11 Business Development and Attraction Work Plan.

New services proposed to enhance customer service at City Hall for Fiscal Year 2010-11 include accepting passport applications at City Hall, as well as using the facility as an early voting site for the November 2010 election. To enhance the convenience of transactions with residents and others who do business with the City, the acceptance of credit cards at City Hall will also be implemented. Each of these initiatives will be accomplished utilizing existing staff and resources.

Ongoing projects, such as efforts to implement the Revitalization Action Plan for the Light Industrial Area, will move forward through the fiscal year. The City will continue to communicate key messages related to traffic safety, fire safety, and traffic congestion relief to the public via newsletters, websites, and a new speaker's bureau.

Public safety remains a high priority for the City. Police Services will continue offering existing services as well as capitalizing on opportunities to increase education and awareness throughout the community. Key programs include the enhanced traffic enforcement program to ensure the safety of motorists and reduce the number of injury traffic accidents, along with the Special Enforcement Team. This team focuses on issues such as graffiti, truancy, gang membership, and outreach to the at-risk teen population. Existing community programming will be augmented with two new education programs, the visual crime prevention campaign "Don't Make It Easy," and the neighborhood ALERT! Program. Events and activities that foster community will also be offered throughout the year.

Overall, Fiscal Year 2010-11 looks to continue progress on major projects of community priority while maintaining the City's solid financial condition. The

department detail portion of the budget provides more information on specific major initiatives.

As a general note, the Fiscal Year 2010-11 Budget is balanced and reflects appropriate measures to ensure prudent care of the City's finances while maintaining service levels to the community. Unlike previous years, however, the City will use approximately \$700,000 in excess funds available to balance the General Fund, but also maintain fully funded reserve accounts. After using interfund transfers, the overall Operating Budget and each fund are projected to show positive or zero balances at the end of the fiscal year.

## **Revenues**

Looking forward, we expect a modest decrease in General Fund revenues in Fiscal Year 2010-11, with revenue sources stabilizing and seeing a slight recovery in subsequent fiscal years, barring any unforeseen events. These estimates are based on the ongoing effects of the recession, the weak housing market and its effects on property taxes, and declining investment earnings due to historically low interest rates. The Operating Budget ("Budget") for Fiscal Year 2010-11 projects General Fund revenues to be \$30 million, which is \$0.7 million or 2% less than the revised estimate of \$30.7 million, for Fiscal Year 2009-10.

Although the passage of Proposition 1A allows the City to estimate future revenues with more certainty than in the past, the State's budget deficit may put unprotected revenues at risk. A recent change to the law will eliminate Proposition 42 revenues in Fiscal Year 2010-11 and replace them with excise taxes. At this point, the ultimate effect of this new law on the City's revenues is unclear. Staff will continue to monitor the situation and report on any notable developments to the City Council.

As in past years, we have chosen to be conservative in estimating revenues for the Fiscal Year 2010-11 Budget. Revenues may be realized at higher or lower levels, but staff believes the forecast will allow the City a conservative cushion.

## **Expenditures**

General Fund operating expenditures are forecasted at \$30.7 million in Fiscal Year 2010-11, a \$0.8 million or 2.7% decrease from the adjusted budget in the Fiscal Year 2009-10 Mid-Year Budget Review. A brief explanation of proposed changes by department is shown under the heading Budget Analysis, in the Summary Section of the Budget. More information on each department's operations can be found in the Departmental Activity Detail sections. Shown

below are some budget adjustments made to the Fiscal Year 2010-11 Budget to offset the declines in revenues during the past year.

Budget Adjustment	Department
Reviewed Redevelopment Agency funding allocations for percentages of positions to reflect Agency-related activities	Redevelopment/Economic Development and Management Services
Authorized temporary vacancies of personnel and contract positions	Various departments
Authorized transfer of Traffic Engineer costs to Gas Tax Fund to reduce professional services costs	Public Works
Recombined the mailing of the Leisure Times with the Leaflet	Community Services
Deferred some anticipated new programs	All Departments

As in previous budget documents, there are various annual goals which each department develops consistent with the City's current Plan. Those various budget goals and objectives can be found in the departmental sections of the Budget.

### **Fund Balances**

After transfers, the General Fund balance is projected to decrease by \$19.9 million to \$13 million. This decrease is due, in major part, to a transfer of \$19.1 million to the Opportunities Study Area Capital Improvement Projects Fund. Pursuant to City Council direction, General Fund reserves will remain fully funded and the City will continue to be in solid financial condition.

### **Capital Projects**

The City provides for capital projects in a separate two-year capital budget. The next Capital Improvement Projects Budget will be adopted in June 2011 and will cover the two-year period from July 2011 to June 2013.

To provide a comprehensive picture of all City funds in the Budget, revenue and expenditure projections for capital projects for Fiscal Year 2010-11 are shown in addition to operating activity in summary form in the Summary of Revenues, Expenditures, Transfers, and Fund Balances.

## Conclusion

Since incorporation, the City of Lake Forest has followed a conservative fiscal path while still saving significant reserve funds and available cash to provide anticipated capital improvements deemed important to the community. The City is currently poised to deliver much needed capital projects like the Alton Parkway Gap Closure, Rancho Parkway Gap Closure, citywide traffic synchronization, a major sports park, a recreation center and civic center. The City's ability to provide these important capital projects while maintaining high services is due to conservative fiscal policies and strategic planning, along with a strong economy – one, however, which peaked in 2007.

Unfortunately, the City is not immune from economic recessions. In light of what is now being commonly referred to as the "new normal economy," the City is carefully monitoring revenue and expenditure trends to ensure Lake Forest's continued solid financial position. Our task is to re-align the City's revenues and expenditures over the next few years as the economy recovers and the Opportunity Study Area develops. This can be accomplished by the careful use of available fund balances (while simultaneously maintaining reserve funds) and fine-tuning expenditures as a new baseline of services emerges with the addition of new residents. Clearly, however, the City will need to remain flexible to respond quickly to any negative economic events that may occur.

Overall, in Fiscal Year 2010-11 the City continues to be on course to maintain a high quality of life and desirable environment for residents and businesses. As always, staff looks forward to the new fiscal year and opportunities to work with the community and City Council with enthusiasm and optimism.

Sincerely,

Robert C. Dunek  
City Manger

## OPERATING BUDGET ANALYSIS

The following is a recap of major aspects of the Operating Budget ("Budget") provides the City Council with a condensed picture of the overall Budget and provides an opportunity to point out changes from previous years.

### REVENUES

The following is a discussion of the revenues by category of the City and Redevelopment Agency ("Agency"):

### TAXES

2008-09 Actual	\$35,595,069
2009-10 Budget	34,415,900
2009-10 Estimated	33,112,300
2010-11 Adopted	32,480,200

City property taxes are expected to decrease by 3% from Fiscal Year 2009-10 revised estimates, since the assessed valuation for Fiscal Year 2010-11 will be based on sales activity in 2009 and a negative Proposition 13 inflation factor. During 2009, the decline in the real estate market continued and worsened from its inception in mid-2006, and thus, these revenues are expected to be lower than prior years. The County Assessor has continued to implement Proposition 8 adjustments to assessed values for properties that changed ownership in recent years. In Fiscal Year 2009-10, the City participated in the Proposition 1A securitization to enable receipt of property taxes withheld by the State. Without participation in the securitization, taxes would have been \$1.3 million lower with repayment from the State in three years.

Agency tax increment is expected to decrease by 10% from the Fiscal Year 2009-10 revised estimates, mostly due to the fact that the Redevelopment Agency receives tax increment in a lump sum payment each year one year in arrears. Thus, revenues for Fiscal Year 2009-10 are based on sales activity in 2008, when significant declines in housing values were occurring.

Sales taxes are projected to increase by 3.4% from the Fiscal Year 2009-10 revised estimate due to the recent stabilization in consumer activity and sales tax receipts. All other tax revenues are expected to be relatively stable in the upcoming year.

### LICENSES & PERMITS

2008-09 Actual	\$483,310
2009-10 Budget	360,000
2009-10 Estimated	365,000
2010-11 Adopted	370,000

Building permit revenues have decreased since Fiscal Year 2008-09 due to the ongoing housing market decline and receipts are expected to be relatively stable since that time. Any permits related to the Opportunities Study development projects will be reflected at a later date after more information is available.

### FROM OTHER GOVERNMENTS

2008-09 Actual	\$4,864,785
2009-10 Budget	6,410,500
2009-10 Estimated	6,849,600
2010-11 Adopted	11,792,500

The increase in Fiscal Year 2010-11 is primarily related to anticipated grants for capital projects, such as Alton and Rancho Parkways.

### USER FEES & CHARGES

2008-09 Actual	\$1,035,113
2009-10 Budget	651,300
2009-10 Estimated	1,016,200
2010-11 Adopted	1,128,300

The increase in Fiscal Year 2010-11 is mostly due to anticipated park and affordable housing development impact fees.

### FINES & FORFEITURES

2008-09 Actual	\$556,560
2009-10 Budget	520,000
2009-10 Estimated	425,000
2010-11 Adopted	425,000

No significant changes are anticipated.

### USE OF MONEY & PROPERTY

2008-09 Actual	\$2,651,924
2009-10 Budget	1,849,800
2009-10 Estimated	1,602,300
2010-11 Adopted	820,300

The primary component in this category is investment earnings and rates continued to decline in Fiscal Year 2009-10, primarily due to multiple decreases in interest rates made by the Federal Reserve Board in response to the housing market decline, the credit crisis and the current economic decline.

### OTHER REVENUE

2008-09 Actual	\$95,258
2009-10 Budget	50,900
2009-10 Estimated	75,200
2010-11 Adopted	42,400

Receipts in Fiscal Year 2010-11 are expected to be lower than the revised estimate for Fiscal Year 2009-10. This is primarily due to various reimbursements for project costs and state mandated costs incurred by the City that are not budgeted until received or until information is provided to verify the future receipt of these items.

### EXPENDITURES

The amounts listed for each department include City and Agency expenditures. The following is a discussion of any significant changes including new positions or programs in the expenditures for each department:

### CITY COUNCIL

2008-09 Actual	\$217,313
2009-10 Budget	251,600

### FUND ANALYSIS-OPERATING BUDGET

Following is a discussion of some of the City's larger funds with material activity budgeted in Fiscal Year 2010-11. Agency funds are not included in this discussion, as this has been addressed in the Agency Budget and capital project funds are also excluded as they are governed by bi-annual capital budgets.

### GENERAL FUND

Revenues are projected at \$30 million (a decrease of \$0.6 million or 2.1% from the Fiscal Year 2009-10 revised estimate). This decrease is primarily due to

declines in property taxes and investment earnings. More information regarding these declines is described in the revenue section above.

Operating expenditures are projected at \$30.7 million as compared to the Fiscal Year 2009-10 adopted budget amount of \$31.8 million (a decrease of \$1.1 million or 3%). This decrease is primarily due to previous and current actions taken to reduce costs in departments to address declines in revenues related to the recession. Other Fiscal Year 2010-11 changes in departmental expenditures and program costs are noted in the expenditures section above.

Net interfund transfers out are projected at -\$19.1 million (excluding the memo transfer of \$708,200 noted in the Summary of Revenues, Expenditures, Transfers, and Fund Balances) as compared to the Fiscal Year 2009-10 adopted budget amount of -\$16.6 million (an increase of \$2.5 million or 15%). In Fiscal Year 2010-11, net transfers out primarily provide funding for Opportunities Study capital projects.

This fund is expected to have available fund balances of \$13.0 million at the end of the year, with General Fund reserves fully funded.

#### GAS TAX FUND

Revenues are projected at \$2 million as compared to the Fiscal Year 2009-10 revised estimate of \$1.8 million (an increase of \$0.2 million or 1%). Revenue fluctuations are primarily attributable to estimated excise taxes in lieu of Proposition 42 revenues which were recently eliminated by State law.

Expenditures are \$1.8 million, similar to the Fiscal Year 2009-10 adopted budget.

Interfund transfers out are projected at -\$48,500 compared no budgeted transfers in Fiscal Year 2009-10. This transfer will provide funding for the Measure M Fund, which has a small shortfall related to declines in revenues during the last couple of years.

At the end of the year, it is expected that the fund will have \$0.5 million remaining fund balance.

#### MEASURE M FUND

Revenues are projected at \$0.8 million, similar to revised estimates for Fiscal Year 2009-10. Expenditures are \$0.9 million as approved in the 2009-2011 Capital Improvement Projects Budget for slurry seal and repaving projects. As is

noted above, \$48,500 will be transferred from the Gas Tax Fund to cover a small shortfall to arrive at an ending balance of zero.

#### ETNIES SKATEPARK FUND

Revenues are projected at \$72,700, comparable to the Fiscal Year 2009-10 revised estimate of \$78,700 (a decrease of \$6,000 or 8%). Expenditures are \$368,100, comparable to the Fiscal Year 2009-10 adopted budget amount of \$385,300 (a decrease of \$17,200 or 4%). This fund will have no estimated available fund balance at the end of the year after an interfund transfer from the General Fund of \$295,400.

#### AIR QUALITY IMPROVEMENT FUND

Revenues are projected to remain constant at \$0.1 million, the same as the Fiscal Year 2009-10 revised estimate. There are no proposed expenditures during Fiscal Year 2010-11, compared to \$10,000 having been budgeted in Fiscal Year 2009-10 for the Go Local grant. Interfund transfers out are projected at \$0.1 million compared no budgeted transfers in Fiscal Year 2009-10. This transfer will provide funding for the Traffic Synchronization project. This fund is expected to have available fund balances of \$0.6 million at the end of the year.

#### POLICE GRANT FUNDS

These funds are balanced in regard to grant revenues and expenditures and the grant program in Fiscal Year 2010-11 is the State COPS (Brulte) grant.

#### COMMUNITY DEVELOPMENT BLOCK GRANT FUND

Entitlement revenues and expenditures are based on the Fiscal Year 2010-11 Draft Plan submitted the Department of Housing and Urban Development and approved by the City Council. In addition, revenues and expenditures from the rehabilitation loan program are included.

#### FINANCING AUTHORITY FUND - CERTIFICATES OF PARTICIPATION

This fund is balanced with respect to interfund transfers in and expenditures. Funding is received each fiscal year from the Redevelopment Agency Debt Service Fund.

## RESERVE FUNDS

In accordance with the Reserve Policy adopted by the City Council in February 2007, three types of reserves were established: 1) Undesignated (2/3 of 40% of General Fund revenues), 2) Economic Contingency (1/3 of 40% of General Fund revenues), and 3) Emergency Services. The projected balances at June 30, 2011, are as follows:

General Fund - Undesignated	\$ 8.0 million
Economic Contingency	4.0 million
Emergency Services	3.0 million

## REDEVELOPMENT/ECONOMIC DEVELOPMENT

### **DEPARTMENT DESCRIPTION**

The Redevelopment/Economic Development Department is responsible for the creation and implementation of comprehensive redevelopment, economic development, and affordable housing and revitalization activities in the City. The department coordinates public information and promotional tools; provides business assistance programs; encourages growth and development of a diversified business community; and provides staff support to the Council/Agency and Commissions.

### **FISCAL YEAR 2009-10 MAJOR ACCOMPLISHMENTS**

1. Led a City staff team to continue implementation of the Revitalization Action Plan for the Light Industrial Area.
2. Worked cooperatively with property owners to facilitate continued revitalization of commercial centers and promote business growth and expansion in the Arbor.
3. Pursued affordable housing opportunities to alleviate or avoid excess surplus in the Low and Moderate Housing Fund to address the City/Agency's affordable housing needs.
4. Explored the potential of an Economic Development Strategy.
5. Implemented the Fiscal Year 2009-10 Business Development and Attraction Work Plan and formed a partnership with the new Lake Forest Chamber of Commerce.
6. Prepared 5-year Implementation Plan Update, 10-Year Affordable Housing Compliance Plan, and updated the CDBG Consolidated Plan.
7. Evaluated potential development options and issues for the Agency Parcel (*former Orange County Transportation Authority Parcel*).

### **FISCAL YEAR 2010-11 MAJOR INITIATIVES**

1. Continue to implement the Revitalization Action Plan for the Light Industrial Area.
2. Work cooperatively with property owners to facilitate continued revitalization of commercial centers and promote business growth and expansion in Redevelopment Project Area.
3. Pursue affordable housing opportunities to alleviate or avoid excess surplus in the Low and Moderate Housing Fund to address the City/Agency's affordable housing needs.
4. Present an Economic Development Strategy for City Council consideration.
5. Implement the Fiscal Year 2010-11 Business Development and Attraction Work Plan including advancing the City's enhanced partnership with the Lake Forest Chamber of Commerce.

**FISCAL YEAR 2010-11 MAJOR INITIATIVES (continued)**

6. Pursue the potential sale of Agency Parcel (*former Orange County Transportation Authority Parcel*).
7. To the extent possible, continue to be a funding partner with the City on streetscape and infrastructure improvements in the Redevelopment Project Area.
8. Work with the California Redevelopment Association to protect and preserve the Agency's funding and limit restrictions on redevelopment activities.

## **CITY ATTORNEY**

### ***DEPARTMENT DESCRIPTION***

The City Attorney acts as legal advisor to the City Council, City Manager, various City departments, commissions, committees and boards. The City Attorney prepares or approves as to legal form all proposed City ordinances, resolutions, agreements, contracts, deeds and other legal documents. The City Attorney also represents the City in all litigation in which the City is involved and prosecutes violations of City laws. The City of Lake Forest contracts with the law firm of Best, Best & Krieger LLP for legal services.

### ***FISCAL YEAR 2009-10 MAJOR ACCOMPLISHMENTS***

1. Successfully prosecuted numerous misdemeanor cases arising within the City, including obtaining guilty verdicts, fines, and stay away orders for criminal defendants.
2. Continued working on the Opportunities Study, including acquisition of park land sites from the County of Orange and other owners; acquisition and planning for the funding and construction of Alton Parkway; and near finalization of the Shea Baker Ranch Associates Development Agreement.
3. Successfully prosecuted and defended numerous matters, at the administrative and trial level, relating to massage technicians and massage establishments, including obtaining judgment in the City's favor in the Body Centre trial.
4. Began implementation of major litigation initiative against marijuana dispensaries, resulting in the closure of nine dispensaries.
5. Completed re-codification of the Lake Forest Parking Code and near completion of the Lake Forest Sign Ordinance.

### ***FISCAL YEAR 2010-11 MAJOR INITIATIVES***

1. Assist the City in real estate transactions relating to acquisition and exchange of park sites under the Opportunities Study.
2. Continue work on Opportunities Study enactments such as project level environmental review, and planning and financing of public facilities.
3. Continue to assist the City in efforts to acquire and plan for the funding and construction of Alton Parkway.
4. Comprehensive review and update of Phase 2 of Lake Forest Municipal Code Title 9.
5. Coordinate nuisance abatement efforts with law enforcement activities.
6. Support City in economic development and housing initiatives.
7. Continue successful litigation efforts to abate marijuana dispensaries.

## **PUBLIC WORKS**

### ***DEPARTMENT DESCRIPTION***

Public Works is responsible for engineering programs and services such as maintenance of: municipal services/facilities, public streets, storm drains, bicycle/pedestrian facilities, municipal buildings, parks, and medians parkways and slopes. In addition, Public Works also administers the water quality program to maintain compliance with federal, state, and local regulations and promote pollution prevention through inspections, education, and enforcement. The department investigates and resolves citizen inquiries related to engineering, maintenance, and traffic circulation issues. Public Works also performs many on-site field meetings with community representatives and conduct researches in regards to contracts for maintenance and professional services for engineering. The department implements/manages programs and services for solid waste collection disposal and recycling; initiates planning, budgeting, design, bidding, construction contract administration and inspection of capital improvement projects. Other services offered by the Public Works Department are to analyze development applications to determine public works and transportation impacts; provide responsive transportation and encroachment permit processing and inspection services; administer bus bench/shelter facilities; and work with other governmental agencies on design and construction of public facilities.

### ***FISCAL YEAR 2009-10 MAJOR ACCOMPLISHMENTS***

1. Participated in the County's Alton Parkway Project Development Team to complete final design and construction bid awards, secured necessary right-of-way, entered into a cooperative agreement with the County for construction of Alton Parkway and Commercentre Drive, and developed alternatives for construction of Alton Parkway between Commercentre Drive and Towne Centre Drive.
2. Performed education and outreach to the City's Homeowners Associations, Lake Forest Chamber of Commerce, and businesses on citywide traffic safety and traffic congestion relief.
3. Worked collaboratively with memorandum of understanding stakeholders to advance the joint effort to advance the Serrano Creek Project.
4. Generated eleven proposal requests, recommended contract awards, and constructed eight projects identified in the Capital Improvement Projects Budget.
5. Awarded landscape maintenance contracts for median parkways and slopes, parks, and sports field maintenance.
6. Awarded contracts for street sweeping, graffiti removal and steam cleaning, and park restroom janitorial services.

**FISCAL YEAR 2009-10 MAJOR ACCOMPLISHMENTS (continued)**

7. Continued to manage and implement the City's water quality/pollution prevention program in compliance with Third-Term of the National Pollutant Discharge Elimination System Permits and track, review, and comment on the draft Fourth-Term Permits for the Santa Ana and San Diego regions.

**FISCAL YEAR 2010-11 MAJOR INITIATIVES**

1. Continue to participate in the County's Alton Parkway Project Development Team to complete construction of Alton Parkway and Commercentre Drive, and initiate construction of Alton Parkway between Commercentre Drive and Towne Centre Drive.
2. Work collaboratively with memorandum of understanding stakeholders to advance the joint effort to advance the Serrano Creek Project.
3. Continue outreach effort to the City's Homeowner Associations and businesses on citywide traffic safety and traffic congestion relief.
4. Generate proposal requests, verify qualifications, and recommend contract awards identified in the Capital Improvement Projects Budget for Alton and Rancho Parkway Gap Closure projects, and Sports Park.
5. Manage and implement the City's water quality/pollution prevention program in compliance with Fourth-Term of the National Pollutant Discharge Elimination System for the Santa Ana and San Diego regions.
6. Develop amendments to the Residential and Commercial Solid Waste Franchise Agreements for first available term extensions.

## **MANAGEMENT SERVICES**

### ***DEPARTMENT DESCRIPTION***

The Department of Management Services includes the Human Resources, Information Technology, City Clerk, and Public Affairs divisions. The Department coordinates the recruitment of talented and highly qualified candidates to join the City's workforce, provides safety training and directs the City's risk management program. The Department manages the City's technology needs and sets strategic guidelines to achieve long-term technology goals. The Department maintains City records, the Lake Forest Municipal Code, and the City Council Agenda. The Department also manages public information, including City publications, websites, and communication with the media with the Director serving as the Public Information Officer.

### ***FISCAL YEAR 2009-10 MAJOR ACCOMPLISHMENTS***

1. Implemented a City of Lake Forest Speaker's Bureau (Traffic Improvement Projects).
2. Conducted a Photo Contest for a 2010 Lake Forest Calendar.
3. Posted geographic information system maps for public use on City websites.
4. Implemented a new Lake Forest Communications Plan to optimize the use of City publications, websites, public education government channels, and other community tools to convey information to residents and businesses.
5. Conducted customer service training for all City Hall employees.
6. Completed implementation of Minutes Module of Agenda Plus (automated agenda) software.
7. Coordinated implementation of automated staff report preparation and review.
8. Completed remaining quality control process of vendor scanned and imported agenda staff reports.
9. Enhanced City Clerk's Office internet web pages.

### ***FISCAL YEAR 2010-11 MAJOR INITIATIVES***

1. Implement a City of Lake Forest Speaker's Bureau (Sports Park).
2. Feature a resident-submitted recurring column in the Leaflet highlighting "Why I Love My Lake Forest Park."
3. Incorporate Emergency Operations Center (EOC) policies and procedures into the Lake Forest Communications Plan.
4. Investigate the possibilities of using social media to connect with residents, business owners, and other stakeholders.
5. Accept passport applications at the City Clerk's counter.
6. Become an early voting site for the 2010 election.
7. Implement Thin Client technologies to reduce energy consumption.
8. Establish offsite replication for disaster recovery.

## **POLICE SERVICES**

### ***DEPARTMENT DESCRIPTION***

Police Services is responsible for public safety and general law enforcement within the City, including patrol services, traffic enforcement and criminal investigation. Police Services provides a variety of community policing programs and services including crime prevention, emergency preparedness, and volunteer programs. The department also administers the animal care contract with the County of Orange Health Care Agency.

### ***FISCAL YEAR 2009-10 MAJOR ACCOMPLISHMENTS***

1. A national firm ranked Lake Forest the 10<sup>th</sup> safest city in the nation and 3<sup>rd</sup> safest in the State. Lake Forest was previously ranked 12<sup>th</sup> nationally. There were 1,073 reported Part One Crimes in 2009. Deputies were responsible for 1,229 in-custody arrests, 2,011 misdemeanor citations, and 359 warrant arrests.
2. Traffic enforcement remained a priority for Police Services which issued 2,718 citations for moving violations and 6,031 parking citations. There were 128 injury collisions and a total of 428 collisions.
3. Police Services has continued to keep the fight against graffiti and vandalism an enforcement priority. Through the efforts of the Neighborhood Enhancement Team, costs associated with graffiti removal decreased by approximately 26% in 2009 compared to the previous year.
4. Neighborhood Watch and Business Watch programs were expanded. Presentations were made to the public regarding a variety of public safety issues such as identity theft, personal safety, home safety, child safety, internet safety, and safety issues related to the senior community.
5. The Responsible Pet Ownership Program was established, consisting of Lake Forest Pet Day, public education, and a Spay-Neuter Voucher Program.
6. The relocation and improvement of the Emergency Operations Center was completed along with the full implementation of the AlertOC mass notification system.
7. The Fifth Annual Community Emergency Preparedness Academy was completed. This eight-week program is a joint effort between the City, Orange County Sheriff's Department, Orange County Fire Authority, Doctor's Ambulance, and the American Red Cross. The twenty-five graduates were provided instruction in the fundamentals of disaster preparedness in a classroom environment as well as functional exercises. The Community Emergency Preparedness Academy has had 155 graduates since the creation of the program.
8. Conducted 69 car seat installations and inspections, distributed car seats to low-income families, and a workshop for parents of teen drivers.

**FISCAL YEAR 2009-10 MAJOR ACCOMPLISHMENTS (continued)**

9. Implemented the Waste Watch Program, which provides training and coordination with Waste Management drivers to report potential criminal activity observed while conducting their duties.
10. The Sheriff's Team of Active Retired Seniors (STARS) volunteers provided 4,009 hours of service to the community through Police Services. The STARS provide customer service at the public counter of Police Services, conduct vacation checks per citizen request, Fire Watch patrols, and staff special events.

**FISCAL YEAR 2010-11 MAJOR INITIATIVES**

1. Provision of an effective traffic enforcement program to ensure the safety of motorists and reduce the number of injury traffic accidents in the City.
2. Completion of the business security survey, which will provide data regarding the safety of businesses in the City, leading to recommendations for security enhancements.
3. Police Services will continue to keep the fight against graffiti and vandalism an enforcement priority. Through the efforts of the Neighborhood Enhancement Team, costs associated with graffiti removal decreased by approximately 26% compared to the previous year. In 2005, \$70,832 was spent on abatement efforts as a result of 1,133 calls for service. In 2009, \$51,992 was spent on abatement efforts as a result of 424 fewer calls to the graffiti hotline, a reduction of \$18,839.
4. Continued development of community programming that includes car seat installations, identity protection, teen driver safety seminars, walk to school day, bicycle helmet, and car seat distribution to low-income families.

## **FIRE SERVICES**

### ***DEPARTMENT DESCRIPTION***

The Orange County Fire Authority (OCFA) operates three fire stations in the City of Lake Forest as part of a regional fire protection service. The Authority provides fire protection and suppression, inspection services, paramedic emergency medical services, technical rescue services, and hazardous materials response.

### ***FISCAL YEAR 2009-10 MAJOR ACCOMPLISHMENTS***

1. Participated in Fourth of July Parade.
2. Woods Fire Safety Plan:
  - a. Unified Command and Response Plan completed.
  - b. Prevention and Preparation Education Plan for Residents completed.
3. Delivered Team Fire Force fire safety for fourth-graders. This is a three-phase fire safety course that involves OCFA, teachers, and parents. Team Fire Force replaces the older Junior Firefighter program, and materials are tied to state academic curriculum standards.
4. Continued Red Flag Fire Patrol program, in partnership with Sheriff's Team of Active Retired Seniors (STARS) to act as additional "eyes and ears" to help prevent arson during hot dry Santa Ana winds.
5. Provided door-to-door home fire assessments in the Woods I and II.
6. Provided four community outreach forums on Ready Set Go wildfire safety:
  - a. The Woods-I
  - b. The Woods-II
  - c. Foothill Ranch Library
  - d. Lake Forest Kiwanis
7. Conducted wildfire evacuation drill at Santiago Elementary School.
8. Provided wildfire safety education to Saddleback Valley Unified School District principals.
9. Participated in leadership and Community Emergency Response Academy courses.

### ***FISCAL YEAR 2010-11 MAJOR INITIATIVES***

1. Woods Fire first responder training with Fire/Sheriff/City Officials.
2. Refine school evacuation and shelter-in-place protocols for Woods area schools.
3. Assist with evacuation and traffic management plans for wildfire in Foothill Ranch and Portola Hills areas.
4. Distribute drowning prevention awareness materials.
5. Participate in Fourth of July Parade with applicable fire prevention messages.

***FISCAL YEAR 2010-11 MAJOR INITIATIVES (continued)***

6. Continue Red Flag Fire Patrol program, using STARS and others.
7. Participate in City Emergency Operations Center exercises, as directed, during earthquake, fire, and other simulated large-scale disasters (October "Shakeout").
8. Continue to emphasize life safety and exit systems during fire inspections of assembly and high-density residential occupancies.
9. Continue Team Fire Force program for fourth-graders.
10. When possible, continue to participate in Leadership and Community Emergency Response Academy courses.

***FIRE SERVICES BUDGET OVERVIEW***

The OCFA funds their service in the City of Lake Forest using a formula derived from direct property tax income. This amount allocated is based on 11.11% of 1% of the total assessed value of properties in Lake Forest.

## VEHICLE REPLACEMENT

### *DEPARTMENT DESCRIPTION*

The Vehicle Replacement Fund is an Internal Service Fund created to isolate the costs of vehicles and to allocate those costs to the appropriate operating departments. The departments that have vehicles each pay annual amounts which are shown as expenditure items in the respective operating department budgets. These payments become revenue for the Vehicle Replacement Fund and provide future funding of new vehicles.

# GENERAL FUND

## Description

The General Fund is used to account for all City resources which are not required by law or sound financial management to be accounted for in another fund. Principal sources of revenue include sales taxes, property taxes, licenses and permits, fees for services rendered, and State-shared revenue. General Fund resources are primarily discretionary and are used to provide a broad range of services including most of those traditional to local government.

# FISCAL YEAR 2010-11 ORGANIZATIONAL CHART

## COMMUNITY HISTORY

Lake Forest incorporated as a new city, under the general laws of the State of California, on December 20, 1991. The City is Orange County's 31<sup>st</sup> city and the second largest in the Saddleback Valley.

When Don José Serrano settled the area, which was originally called Rancho Cañada De Los Alisos (the Valley of the Sycamores), through a Mexican Land Grant in 1846, he may have envisioned the area as it is today -- an area rich in family values with a hometown feel. For more than a century, the land was known as El Toro, after the bulls that roamed Don José Serrano's ranch. The land remained with Don José and his family until financial problems forced him to turn the land over to private interests. The legacy of the Serrano family lives on in Lake Forest through the Serrano Adobe - a part of the family's original ranch - located in Heritage Hill Historical Park.

In the early 1900s, Dwight Whiting, a resident of the area, planted 400 acres of fast-growing eucalyptus trees as an answer to the California lumber shortage. Although the trees failed as a source of lumber, in the 1960s, master developer Occidental Petroleum decided to create a master-planned community around the trees and man-made lakes. The eucalyptus provided landscaping for the modern homes and led to the "Forest" in Lake Forest.

Although Lake Forest has been an official city in Orange County since 1991, its history began long before then. Beginning as an agricultural area like most of the Orange County region, Lake Forest began to grow rapidly following World War II. Residential, commercial and industrial development began to replace the acres of citrus and other agricultural products. A significant reason for the change was the growing importance of the El Toro Marine Base. The growth of the Base increased the need for new homes and people support services. Over time, the Lake Forest area was built into the City we know today.

Efforts toward incorporation began in August 1989 when a group of citizens formed the Community Coalition for Incorporation. Hoping to gain control of the issues affecting the Lake Forest area, the group worked toward gaining cityhood for Lake Forest. The group was successful in putting the Measure on the ballot and cityhood was approved on March 5, 1991, along with the City's first City Council. On December 21, 1991, Lake Forest became the 31<sup>st</sup> City to incorporate in the County of Orange.

The City has grown in size from its original incorporated boundaries as a result of several annexations and is now 16.6 square miles.

The City of Lake Forest has balanced growth with an emphasis on quality of life. It provides a rich tapestry of activities for the young and old. The City features 19 public parks, which provide active recreational opportunities to area residents. The 1,500-acre Whiting Ranch Wilderness Park (County operated) is in the northern part of the City and contains a vast amount of open space for hiking and equestrian activities.

The official City flower -- Purple Statice (Limonium); City bird -- hummingbird; and City song -- "Beautiful City" by Steven Swartz clearly acknowledge that Lake Forest is a beautiful city where "Remember the Past -- Challenge the Future" is more than just a slogan as we embrace the opportunities of today and tomorrow.

## GLOSSARY OF BUDGET TERMS

Amendment An amendment is a change in the budget which occurs after its initial adoption. Such a change will consist of an increase or decrease in revenue which is recognized or in the level of authorized expenditures. Some amendments may be implemented by City staff, but most require formal action by the City Council.

Appropriation An authorization by the City Council to generate expenditures and to incur obligations for a specific purpose within a specific time frame.

Assessed Valuation A dollar value placed on real estate or other property (by Orange County) as a basis for levying property taxes.

Audit A review of the City's accounts by internal audit staff or an independent auditing firm to substantiate fiscal year end funds, salaries, reserves and cash on hand.

Beginning/Ending (Unappropriated) Fund Balance Unbudgeted resources available in a fund from the prior/current fiscal year after payment of the prior/current fiscal year's expenditures/expenses. This is not necessarily cash on hand.

Bond A City may raise capital by issuing a written promise to pay a specific sum of money, called the face value or principal amount, at a specific date or dates in the future, together with periodic interest at a special rate.

Budget A fiscal plan of financial operation listing an estimate of proposed applications or expenditures/expenses and the proposed means of financing them for a particular time period. The budget is proposed until it has been approved by the City Council.

Capital Improvement A permanent addition to the City's assets, including the design, construction or purchase of land, buildings or facilities, or major renovations of same.

Capital Improvements Program A financial plan of proposed capital improvement projects with single- and multiple-year capital expenditures/expenses.

Capital Outlay A budget appropriation category which budgets all equipment having a unit cost of more than a pre-approved amount and an estimated useful life over a pre-approved period.

Capital Improvement Project Funds These funds are used to account for moneys received to fund capital outlays by operation departments and general bonded debt services.

City Manager's Budget Message A general discussion of the proposed/approved budget. The letter contains an explanation of principal budget items and summaries.

Debt Service Payment of the principal and interest on an obligation resulting from the issuance of bonds, notes or Certificates of Participation (COPs).

Debt Service Funds This fund type is used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

Deficit An excess of expenditures or expenses over revenues (resources).

Department An organizational unit comprised of divisions or programs. It is the basic unit of service responsibility encompassing a broad mandate of related activities.

Division A sub-section (or activity) within a department which furthers the objectives of the City Council by providing specific services.

Encumbrances A legal obligation to pay funds, the expenditure/expense of which has not yet occurred (purchase orders). They cease to be encumbrances when the obligations are paid or otherwise terminated.

Expenditure The actual spending of governmental funds set aside by appropriation.

Fee A fee is a charge imposed by the City on the beneficiary of a service it provides. Its purpose is to help recover some or all of the cost incurred by the City in providing a service. By law, a fee may not exceed the cost of providing a service.

Fiscal Year A twelve-month period of time to which a budget applies. In the City of Lake Forest, the fiscal year is July 1 through June 30.

Full-Time Position A full-time position is one in which an employee is budgeted to work 40 hours per week or 2,080 hours each year. All full-time positions receive benefits such as holidays, vacations, sick pay, retirement, health insurance, etc.

Fund An independent fiscal and accounting entity used to record all financial transactions related to the specific purpose for which the fund was created.

Fund Balance The amount of financial resources in a fund. Generally, this represents the detail of the accumulation of annual operating surpluses and deficits since inception.

General Fund The primary fund of the City used to account for all revenues and expenditures of the City not legally restricted as to use. This fund is used to offset the cost of the City's general obligations. Examples of departments financed by the General Fund include City Council, Police Services, and Public Works.

Grant Contributions, gifts of cash or other assets from another governmental entity to be expended for specific purpose, activity or facility. An example is the Community Development Block Grant (CDBG) provided by the Federal government.

Interfund Transfer Money transferred from one fund to another. Such money is transferred to finance the operations of another fund or to reimburse the fund for certain costs.

Line-Item A line-item is the detailed grouping of expenditures used in the City's accounting system. It is subordinate to expense category. Typical line items are: professional services, office supplies, travel, postage, office equipment, etc.

Municipal Code A book which contains the City Council-approved ordinances currently in effect. The Code defines City policy with respect to areas such as planning, etc.

Ordinance A formal legislative enactment by the City Council. It has the full force and effect of law within City boundaries unless pre-empted by a higher form of law. An ordinance has a higher legal standing than a resolution.

Part-Time Position A part-time position is one in which an employee is budgeted to work less than 36 hours per week or for less than six months during the year. Part-time employees do not receive benefits such as holidays, vacations, sick pay, retirement, health insurance, etc.

Project Area A redevelopment project area is an area of the City which has been established by the adoption of a Redevelopment Plan and within which the Redevelopment Agency is authorized to use special powers granted by State law.

Reclassification The City maintains a classification system for all positions which establishes job titles, general duties/responsibilities and compensation. Occasionally, employees are found to be working tasks or functions which fall outside their existing classification. When this occurs, a study is conducted by the Human Resources Manager and a recommendation is made for the proper classification.

Redevelopment This term refers to activities undertaken to renovate blighted areas within the City and to provide housing to low and moderate income persons. Blight consists of a variety of conditions which constitute a serious physical, social and economic burden on the community which cannot be corrected by private enterprise acting alone. Redevelopment activities may include, but are not limited to, the acquisition and conveyance of property, site clearance and the provision of streets, utilities, parks and other public improvements.

Reimbursement Payment of amount remitted on behalf of another party, department or fund.

Reserve An account used to record a portion of the fund balance as legally segregated for a specific use.

Resolution A special order of the City Council which has lower legal standing than an ordinance.

Revenue Bonds A type of bond usually issued to construct facilities. The bonds are repaid from the revenues produced by the operation of facilities.

Salaries and Benefits A budget category which generally accounts for full-time and temporary employees, overtime expenses and all employee benefits, such as medical insurance and retirement.

Special Revenue Fund This fund collects revenue which is restricted by the City, State, or Federal government as to how the City might spend it.

Tax A tax is a levy imposed by a local government in conformance with the Government Code to raise revenue for public purposes. There are two types of taxes: general taxes imposed for general governmental purposes, and special taxes imposed for specific purposes.
