

June 18, 2021 update on removal operations at Portola Hills development site:

- The plastic liner covering the soil removal area was removed this morning and a mixture of water and Simple Green was sprayed on the area to help reduce odor. The plastic liner was reinstalled following spraying.
- On Saturday and Sunday the soil removal area will have the plastic removed so that it can be resprayed with the water and Simple Green mixture. The plastic liner will be reinstalled each day after completion of spraying.

Nick Lee, PE
