

Application 1.
(fencing only)

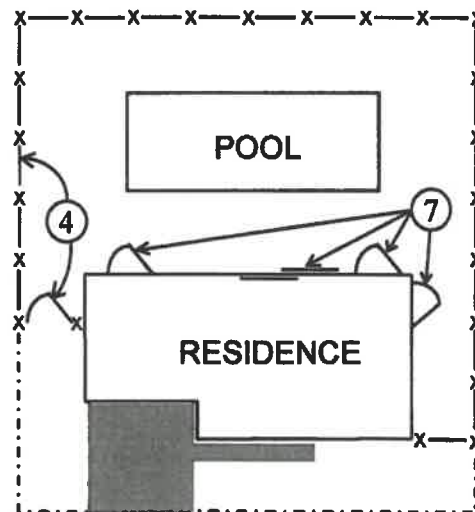

Application 2.
(pool cover)

Application 3.
(exit alarms)

Application 4.
(self-closing and latching doors)

NOTES:

1. Access gates through the enclosure shall open away from the swimming pool, and shall be self-latching with a self-closing device placed no lower than 60 inches above ground.
2. "Barrier fence" shall be a minimum of 60 inches high. The maximum vertical clearance from ground to bottom of enclosure shall be two inches. Gaps or voids, if any, shall not allow passage of a sphere equal to four inches in diameter. The outside surface shall be free of handholds or footholds more than 1 1/4" in dia.
3. No site fencing required.
4. Site fencing and access gate shall meet City requirements.
5. Approved safety pool cover. (Spas may use approved locking safety covers).
6. All doors shall be equipped with approved and listed exit alarms. This includes sliding glass and swinging doors and doors from the garage if it allows access to the pool.
7. Self-closing and latching doors (including sliding glass doors) with release mechanism placed no lower than 54 inches above the floor.
