Tran,

We're splitting the Arterial Median Project into two parts. The arterial median improvements at Lake Forest Drive/Rockfield will be constructed as a standalone project. The median at Trabuco/EI Toro will be constructed as part of the EI Toro Road Median/Resurfacing/Jeronimo Realignment project.

Subject: Arterial Median Improvements

Hi Bart – Do you know the status of the EI Toro/Trabuco median improvements? I am preparing a CA/CI RFP and I wanted to include this, but I haven't seen a review or 100% plan set to include. Let me know.
