**REF: Notice of Preparation of a Draft Subsequent Environmental Impact Report for the Portola Center Project**

Dear Mr. Santos:

Thank you for the opportunity to review referenced Notice of Preparation for a draft Subsequent Environmental Impact Report (EIR) for the Portola Center project. The City of Mission Viejo has completed its review and has no comment at this time. I look forward to reviewing the EIR when this becomes available.

Sincerely,

Charles E. Wilson, AICP  
Director of Community Development
