

Applicant's Guide to Submitting **PLANNED SIGN PROGRAM APPLICATIONS**

PURPOSE:

A PLANNED SIGN PROGRAM (PSP) is a coordinated program of one or more signs for a project site. The purpose of a PSP is to assure coordination and compatibility between all signs within a commercial or industrial center, and to allow for exceptions from the general sign requirements. A PSP is intended to address placement, color, style, lighting and sign materials, and their consistency on the property.

PSP applications are subject to the review and approval of the City's Planning Commission and the provisions of Lake Forest Municipal Code Sec. 9.164.060. Decisions on PSP applications rendered by the Planning Commission may be appealed to the City Council. Any appeals must be filed within 15 days of the date the decision was rendered. Planning Commission hearings are regularly held on the first Thursday of each month. The City provides advance notice of the date, time, and place of the hearing to property owners in the vicinity of the project site.

APPLICABILITY:

A Planned Sign Program is required for any and all of the following:

1. Any request for deviation from the regulations and standards of LFMC Sec. 9.164.090;
2. Any new development proposing more than three on site-signs;
3. Any combination of two or more signs requiring a Minor PSP;
4. Freeway-oriented signs on a project site with an existing PSP or w/ existing on-site freeway-oriented signs;
5. Drive-through signage;
6. Window Graphics;
7. Travel Directory Sign;
8. Lighting for the purpose of signage

APPLICATION FILING:
